# Remember The

Do you remember that every time you pass Alan Roberts' locker you try to find out why this sign is there?

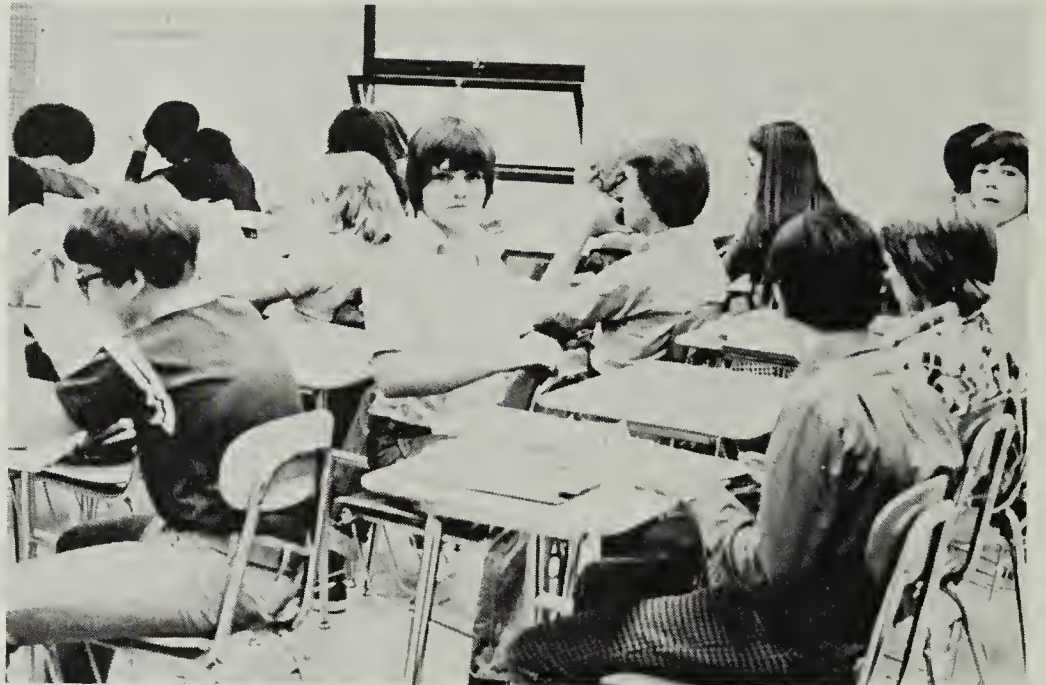

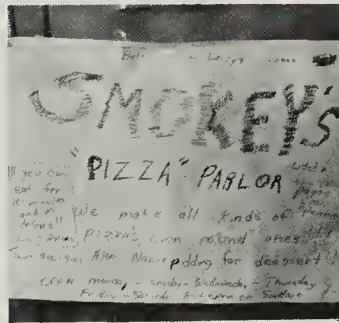

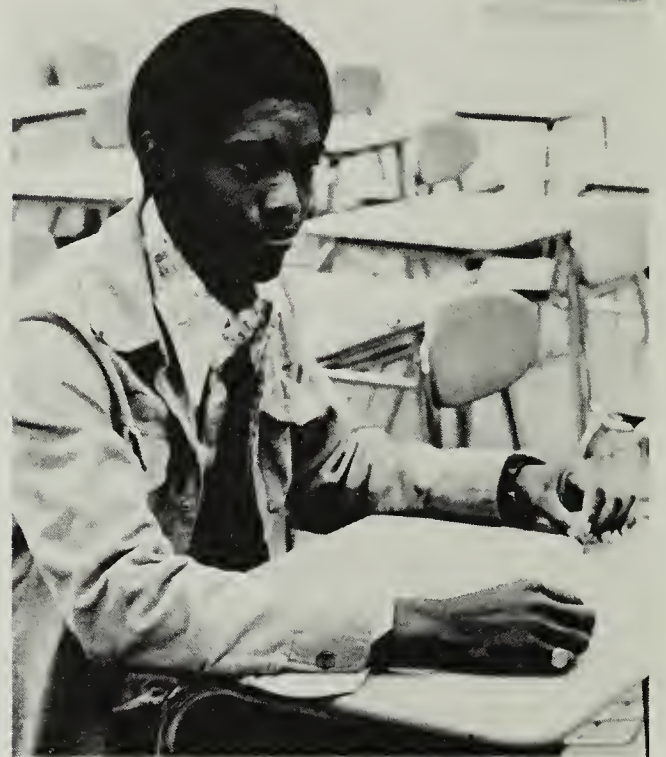

Paying attention in class isn't one of Jerry Collins and Bob Burnettes favorite hobbies by the looks of things!

Marching in the Bicentennial parade at Stuart the P.C.H.S. band keeps in step.

The high school years were some of the most memorable and when we looked back only the good memories emerged. We don't remember the hundreds of sentences we had to write or the many hours spent in detention hall. We only remember the fun we had.

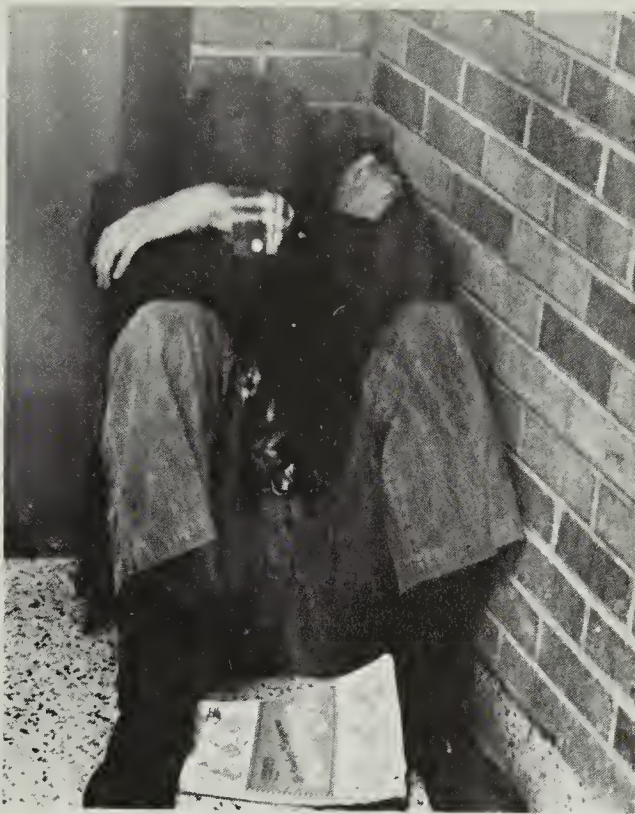

We remembered the crazy times of getting lost and being late on the first day of school in the eighth grade. Then as freshmen having the excuses of "I couldn't get up the stairs, there were too many people." Even with the excuses we didn't receive very much hassle. The times were made to be remembered.

There are times when school gets so hectic that you have to sit down and rest as John Clanton finds out.

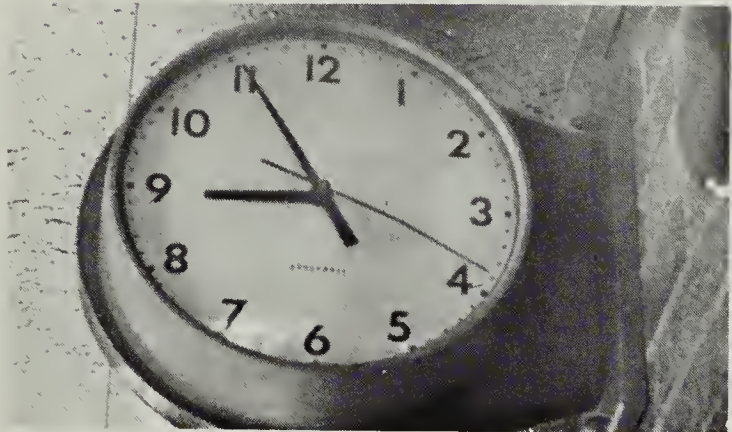

# Good Times

Seeing friends and socializing during lunch is something most students enjoy.

Secluding himself in a corner, this student tries to catch a few winks of sleep.

Just 4 more minutes to go to get to first period on time.

Remember the times you thought you saw a monster? It is Alan Roberts in disguise.

Many times in high school you remembered you felt the urge to just give up, yet you kept on trying. In the end it was worth while, you accomplished your goals.

High school was a time to set goals and a time to realize just how important reaching these goals were. Major decisions were made concerning the future. College plans were set.

Realizing just how important these years were, we sought to remember every precious moment.

Sitting with friends in the lunch room becomes an everyday thing.

# Year Full

The fast moving year of 1976-1977 has left numerous memories to be stored in the minds of the students. 1976-1977 was a year for the Presidential election, changing times, and cherished memories.

For the Eighth graders the year brought new friends and experiences. Trying to remember names with faces proved easy as these faces became friends.

With a year under their belts the Freshman class felt glad they knew where they were going and didn't get lost.

For the Sophomores the year was happy as they no longer were considered inexperienced and could go to the first assembly.

The excitement of Junior class rings led the Juniors to look to the future.

For Seniors last minute preparations were made in order to send off applications, order invitations, and caps and gowns.

Each of the classes of Patrick County High combined to make an interesting and eventful year.

Trying to get into rhythm are Jimmy Gilbert, Tommy Hutchens, and Barry Williams.

Members of Mrs. Axelsson's Biology class discover how a biotic community grows.

Displaying their interest in the presidential election are Scott Smith and Johnny Kastretsios.

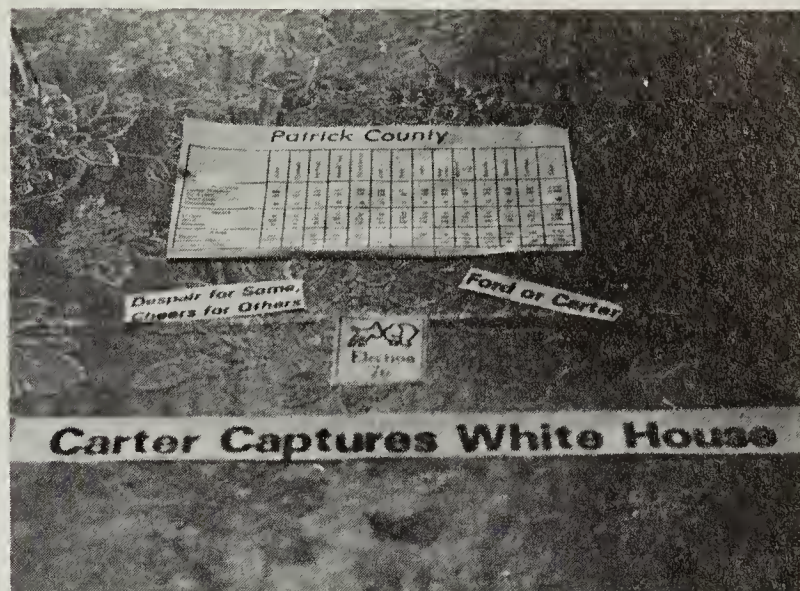

# Of Memories

Required classes brought back memories, some good others bad.

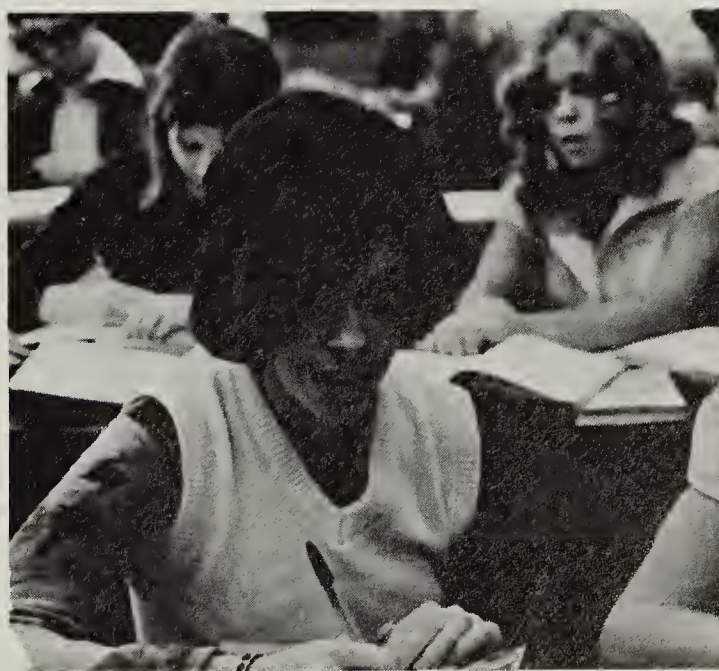

Each student was required to take Physical Education. This class offered natural athletes a chance to excel. In the way of Science, eighth graders were required to take Science 8. This class was followed by Biology in the tenth grade. Other required classes included Math, English, and Geography, or History.

All in all the classes taken offered enjoyment to the avid student or distress to the poorer student.

Getting into the spirit of the Presidential Election, Patrick County forecasts Ford as the next president.

Mixed emotions are shown on the faces of these eighth graders during the outdoor pep rally.

Catching the eye of the photographer Mike Terry, Ronald Stowe, and Kenny Carter act surprised.

Doing his homework and concentrating on the camera is Timmy Turner.

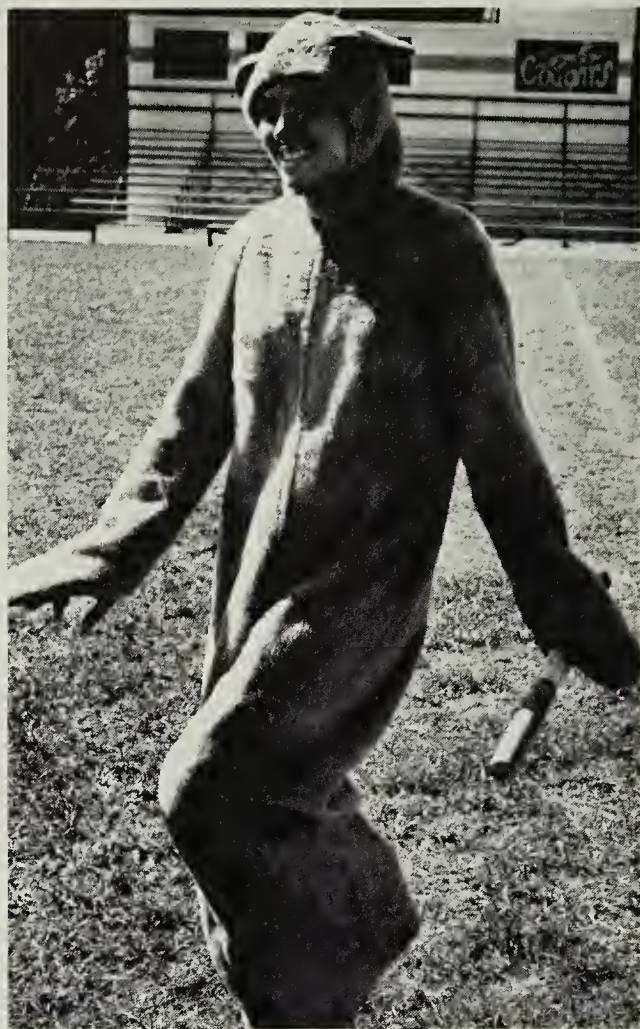

# Those Unforgettable

P. C. Cougar (Teresa Handy) smiles as she cheers for the first outdoor pep rally.

Showing her enjoyment at being out of class by smiling at the camera is Shirleen Wimbush.

Enjoying the everyday rigor of classwork is Sandra Collins.

One of the most of the past year faces seen as people their daily business were in class, talk-between classes, thousand different always time to themselves. have been imprint-and minds of all them for many

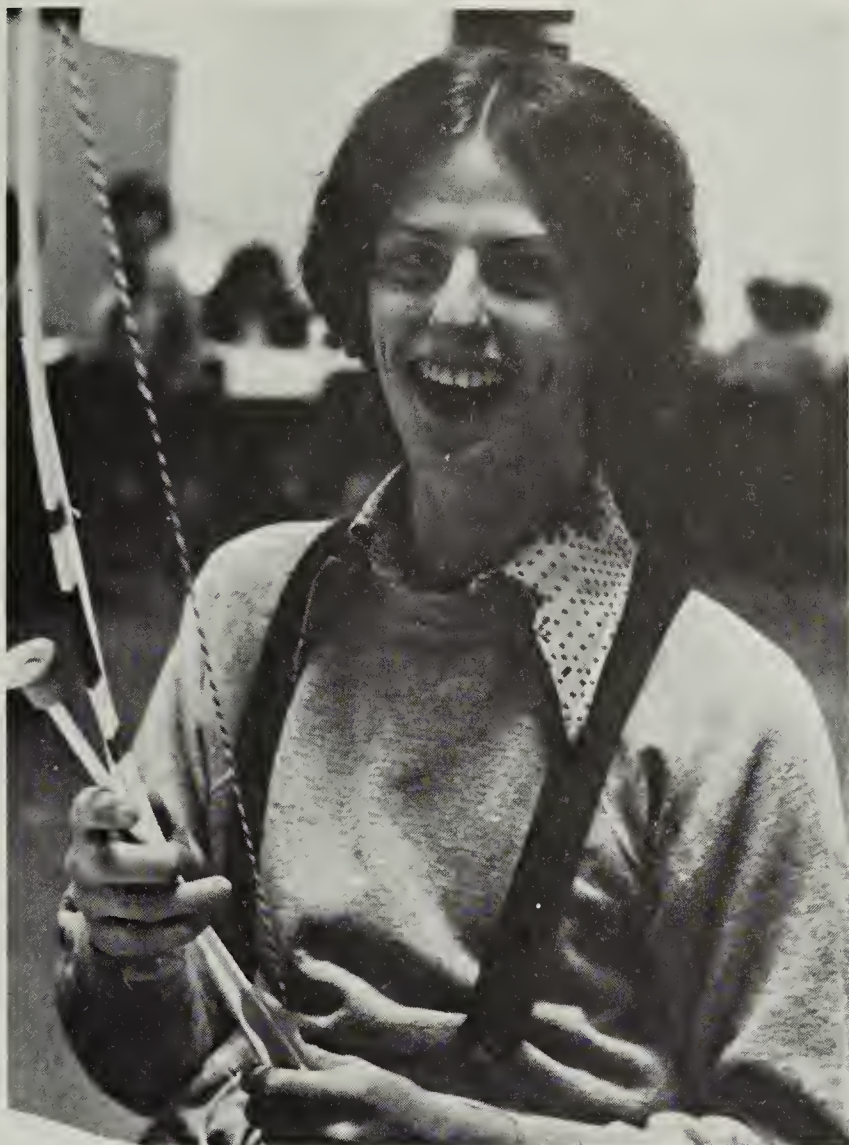

Students in Mrs. Moricles biology class grin devilishly as they take a break from work.

# Are These Legends Fact or Fallacy?

Producing such plays as *Legend of Lover's Leap*, *Legend of Black Jack*, *The Haints at Uncle Reuben's* and *Legend of Shootin' Creek* the junior class worked hard to put these plays on for the student body. Many hard hours of practice were put into the production. Staying after school became an everyday thing. But what we really want to know is "Are these Legends Fact or Fallacy?"

**OPPOSITE TOP:** In the legend of Lover's Leap, Mothers of the young lovers began fighting with "long weapons."

**OPPOSITE LEFT:** The Legend of Shootin' Creek involved a little "tipsy" movements on the part played by Ronald Pendleton.

**OPPOSITE RIGHT:** In The Haints at Uncle Reuben's, Pa, (Wanda Hylton) tells Ma, (Sandra Harrell) "There ain't no such things as ghosts!"

**OPPOSITE BOTTOM:** "You got to give more milk than that cow!" says Pa, (Wanda Hylton).

**TOP:** A shotgun wedding is being performed in the Bicentennial Minute, and from the looks of things they'd better hurry!

**CENTER:** Preaching from the pulpit, Bailey Penn delivered a sermon in the "Legend of Black Jack."

**LEFT:** The Haints at Uncle Reuben's produces many characters such as the mysterious crying baby and a ghost (Kathy Bowman).

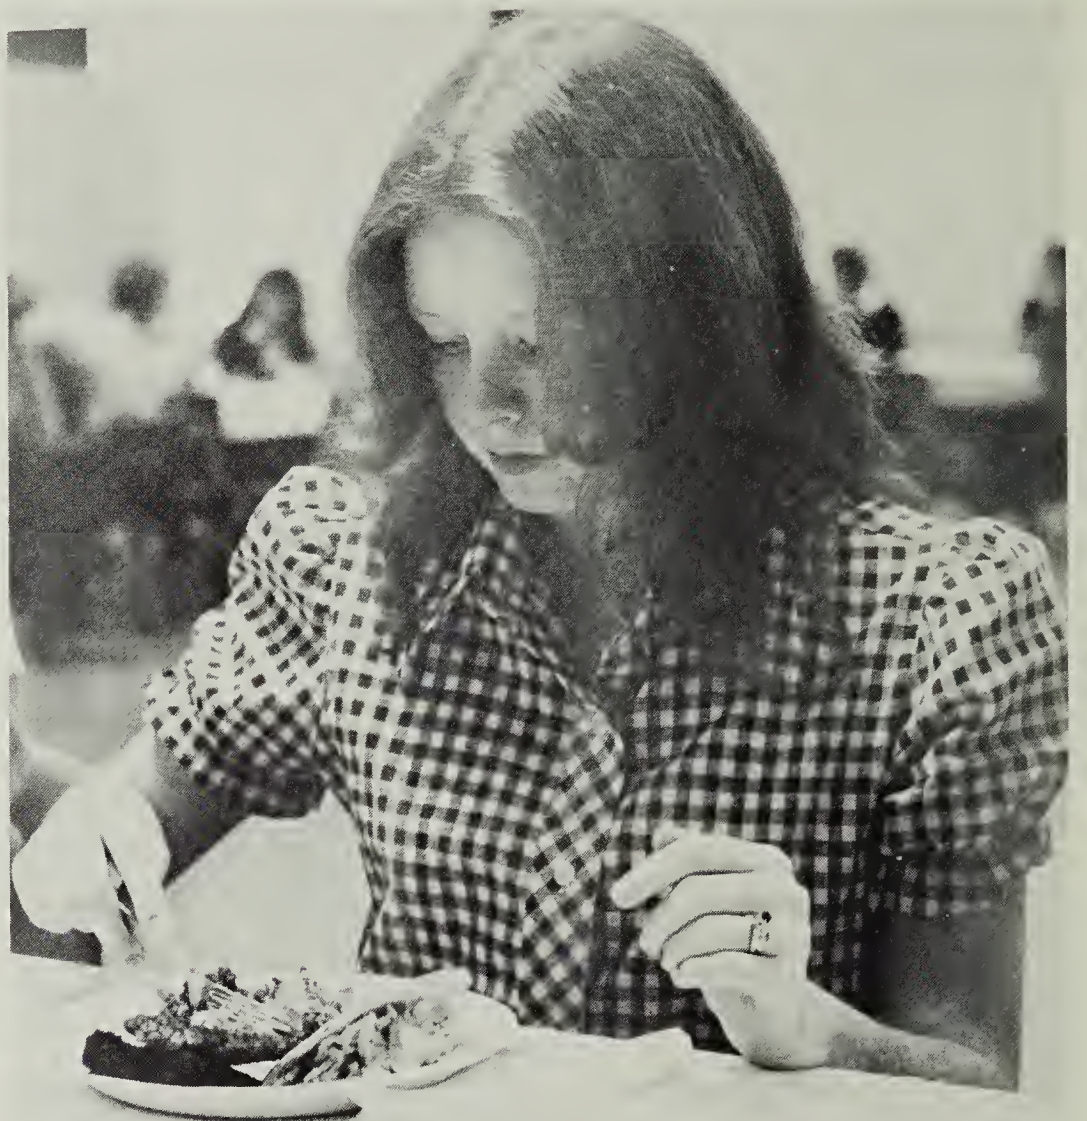

# Foreign Language

**ABOVE:** Bobby Gammons with friend, and Steve Adams approach the microphone for entertainment.

**UPPER RIGHT:** As Carol Belcher wonders what she's about to bite into, she will soon find out.

Foreign Language Week brought a week of enjoyable changes in activities. The Spanish, Latin, and French Clubs put on a crazy play for the assembly which went over well with the student body. They also had a banquet which had foreign food, good talent and costumes.

**ABOVE:** Mr. Hiatt enjoys a change in meal during the Foreign Language Banquet.

# Remember the Spring Dance?

*Playing at the Spring Dance 1976 are the Granteurs Featuring Act III.*

*BELOW AT RIGHT: Showing their capabilities in dancing are Jenny Penn, Alicia Pullins, and El Pilson.*

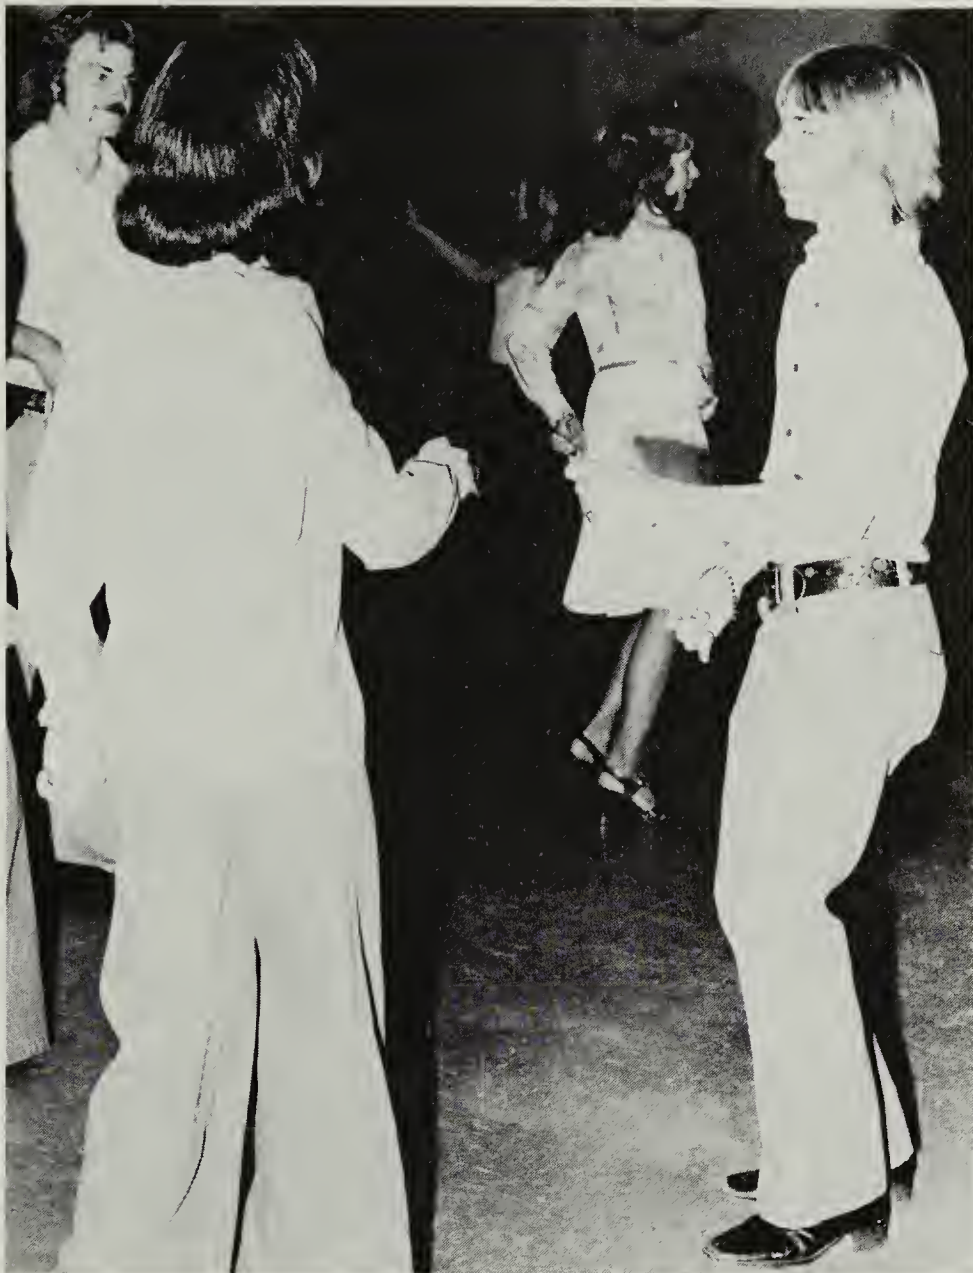

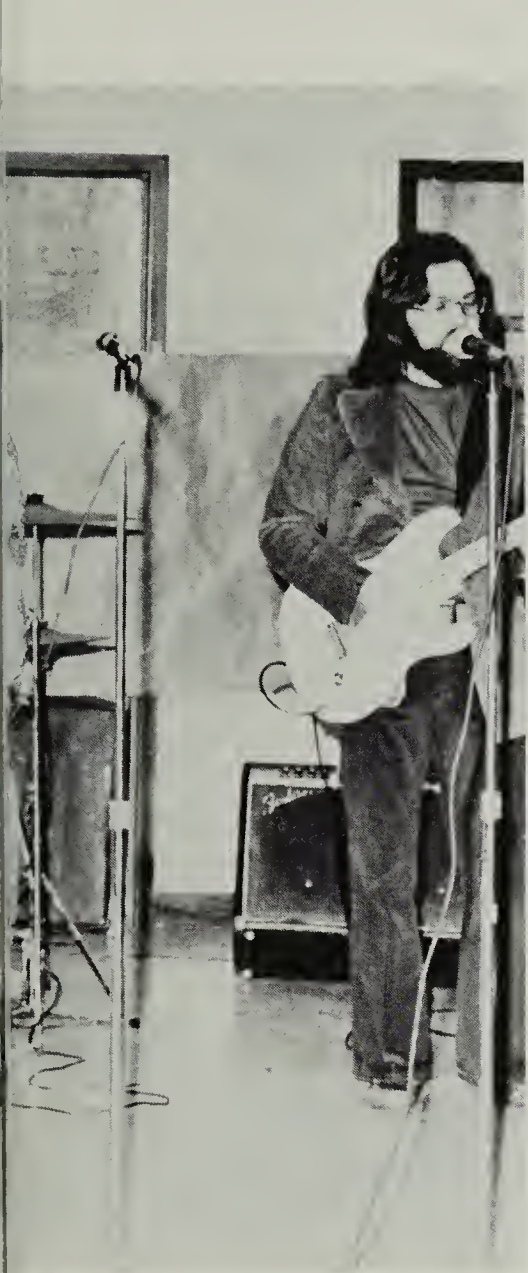

Spring of 1976 was celebrated in the Cafeteria featuring the Band "The Granteurs Featuring Act III." Students from everywhere poured in the cafeteria and danced to the mighty sound. For the seniors there would be just one more dance, so many came to the Spring Dance to have a blast.

Relaxation was welcomed at each break, but as soon as the sound came back the students came back also. Over all it was a success and many will remember the Spring Dance.

**AT TOP:** Dancers Tammy Hill and Larry Clement enjoy music provided by the Grandeurs Featuring Act III.

**ABOVE:** Patiently awaiting the music to start, couples enjoy a little relaxation.

# Forensic Students Advance To Regionals

(above) Pleased that he won 3rd place is Timmy Turner, Winner in Boys Prose.

Forensics this year at PCHS boasted Lou Anne Elgin winner of Girls Prose, Anna Manning winner of Girls Original Oratory, and Denise Foley winner of Girls Extemporaneous. In the boys division Travis Knowles was the winner of Boys Original Oratory, Tom Burnette, winner of Spelling, Timmy Turner winner of Boys Prose, and Steve Epperson winner of Boys Poetry. Jean Dehart was the winner of Girls Poetry.

Of these school winners three students advanced to regionals. These were Travis Knowles, 1st in Original Oratory, Lou Anne Elgin, 3rd in Girls Prose, and Timmy Turner, 3rd in Boys Prose.

(above) While giving his speech Travis Knowles wins original Oratory and has the honor of advancing to regionals.

**ABOVE RIGHT:** Assisting Warren Blackard in Electronics is Mr. Dollarhite.

Patrick County High School attempts to meet the interest of the students both in Vocational and Academic courses. This year students had the opportunity to enroll in several vocational courses. Also new courses were being offered as Advanced English and Chemistry.

The curriculum this past year at PCHS introduced a bit of old and a bit of new. Patrick County High School is growing!

## Junior-Senior Prom

Enjoying each others company are Ricky Ward and Ellen Vipperman.

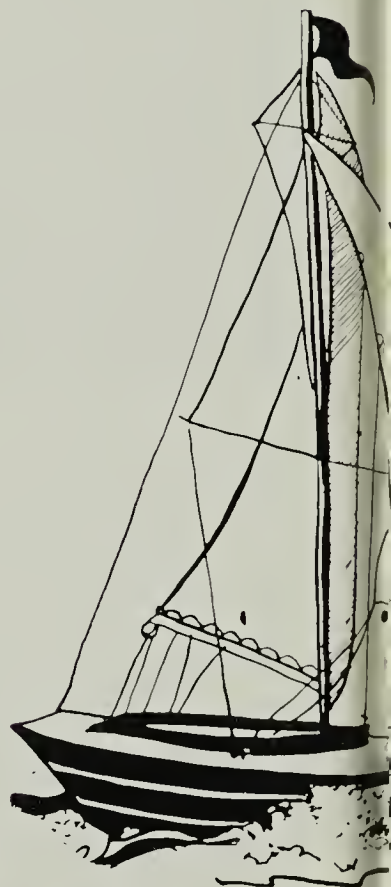

Showing their dancing techniques while the band plays are Tommy Haynes and Lisa Mann.

During the year everyone's worries were on the dances and what they would be like. The Prom especially worried most young girls. "What dress do I wear?" "Who will I go with?" "Will I have a good time?"

The Prom was the last formal of the year and it

had to be a success especially since the seniors would be dancing their "last dance", as students at Patrick County.

The Prom was held in the Cafeteria as usual and everyone agreed that the memories, good ones, would linger on for years to come.

**UPPER RIGHT:** Betty Ann smiles along with the enjoyment of being Miss Patrick County.

**ABOVE:** Miss Patrick County, Betty Ann Cox, expresses much emotion as she is being crowned.

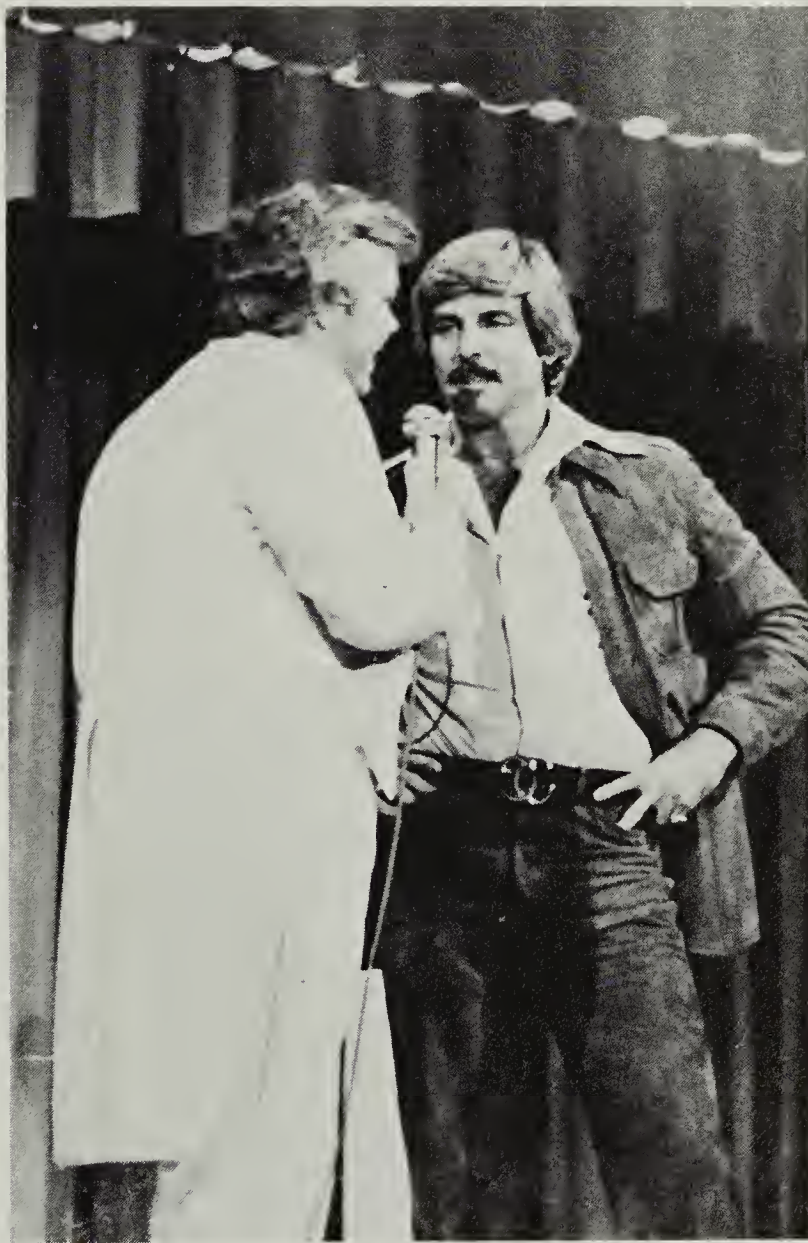

**LOWER RIGHT:** First Runner up, Vicky Smith, looks very happy as she is announced.

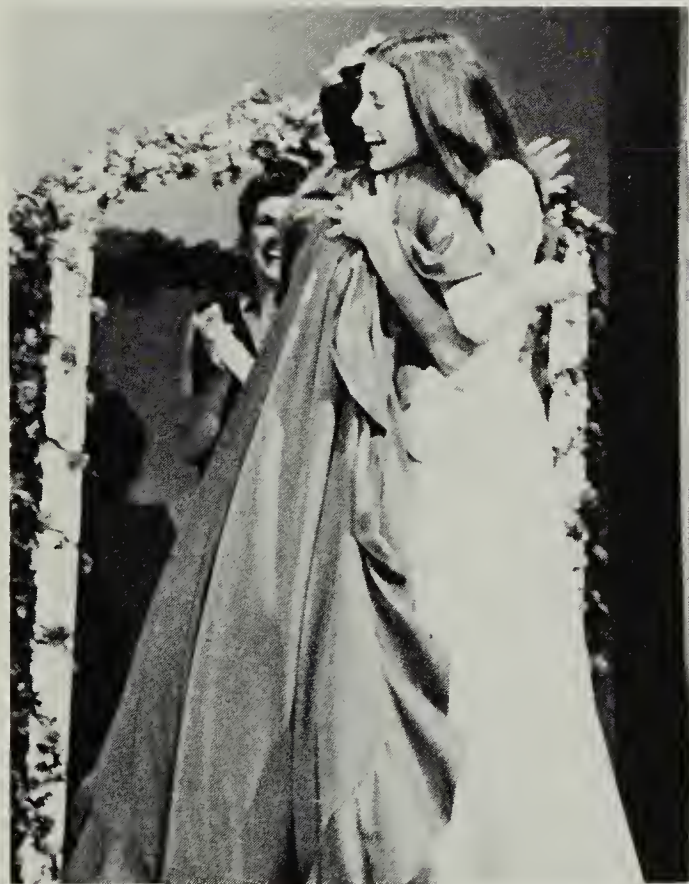

A lot of hard work goes on to make a pageant, but the results can become very meaningful. Through all the excitement and wondering if the one you chose yourself would win, Betty Ann Cox was chosen to be Miss Patrick County for 1976. Another pageant that was held was The Miss Deb Pageant. Becky Williams had the great experience to be chosen the winner. When the Miss Tobacco Queen Pageant was held, Patrick County was quite lucky to have the Winchester Man come here and be one of the judges. With great honor Ann Smith became our Miss Tobacco Queen.

**ABOVE:** Boaty Hudgins (Stonewall Jackson) seems to be very interested in what Steve Epperson (Jefferson Davis) has to say.

**AT LEFT:** Karen Thompson (Gertrude Wimbush) unveils the statue of Jeb Stuart played by Jeff Crowder.

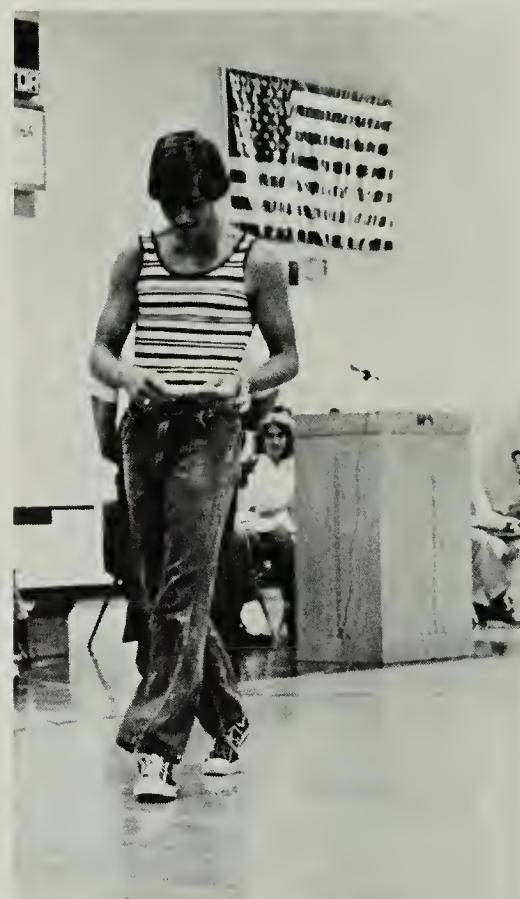

One of the ways to celebrate the Bicentennial year was given by the Gifted and Talented group at Patrick County High School. The Gifted and Talented went back and traced the history of Patrick County and Jeb Stuart. Through many days and nights of hard work and practice they came up with an outstanding Patrick County Play. They gave people a chance to give a name for a title and chose the best one. "Our Heritage, Our Hero" won, which went over very well for the play.

# Awards; SCA Installations

Awards for outstanding students and SCA Officers were given at an assembly during school in May.

The John Phillip Sousa Award, Bland Scholarships, and individual awards were given and in the SCA Installations, Larry Hall became our new SCA President.

## PCHS Days Roll On

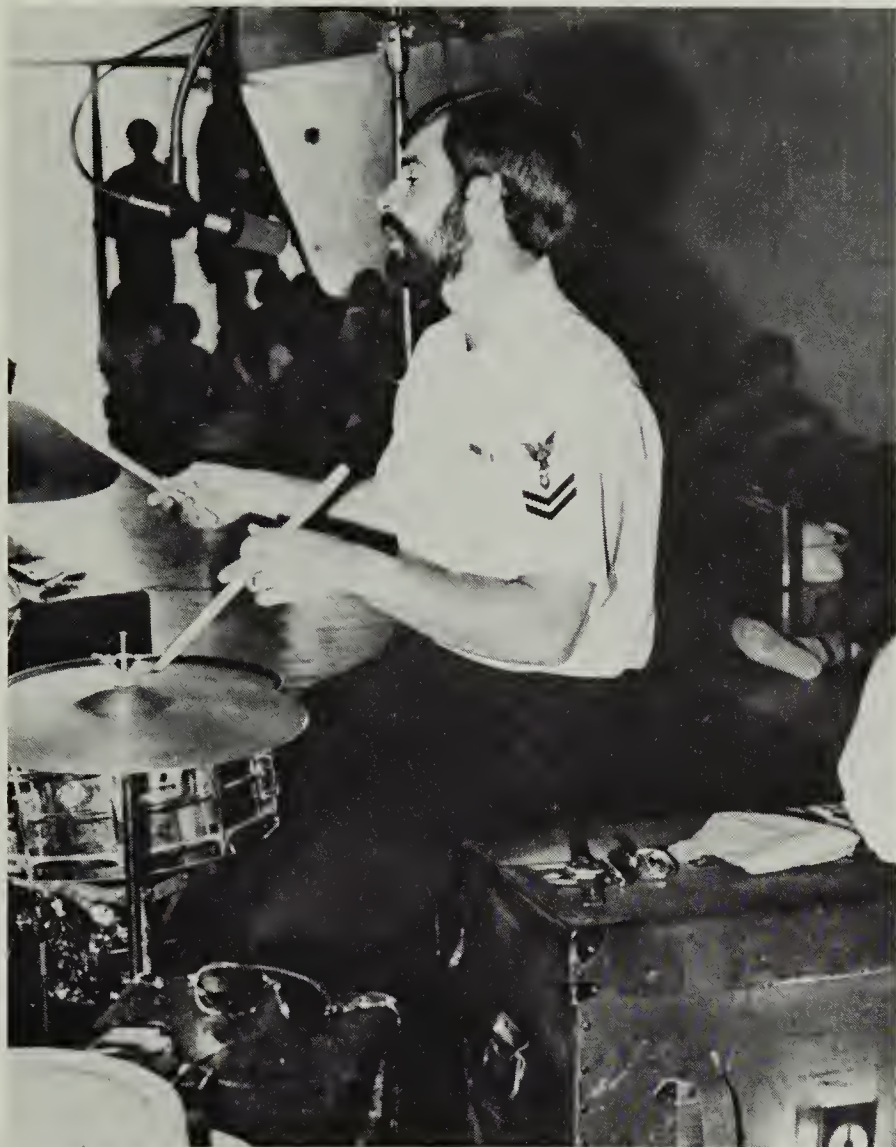

Everybody celebrates PCHS  
days by dressing up and  
dancing to the sound of the  
band.

William and Claudette

they can dance also.

*The drummer is still attempting to entertain.*

*Mrs. Martin is really twisting the day away.*

# With Joy and Laughter

*Teachers seem to enjoy the music as much as the students.*

PCHS Days brought about a lot of joy and laughter from the unusual schooldays. Students were given a chance to have fun and socialize with each other during the day. Among the activities were the outstanding citizenship award assembly, dress day, and a sock hop in which the Country Helmsmen, a Navy Band performed.

# Teachers Enjoy Silliness Also

**ABOVE:** Everyone enjoys the party life.

**TO THE RIGHT:** Mrs. Martin and Mrs. Dobins have something up their sleeve in tricking Mr. McConnel.

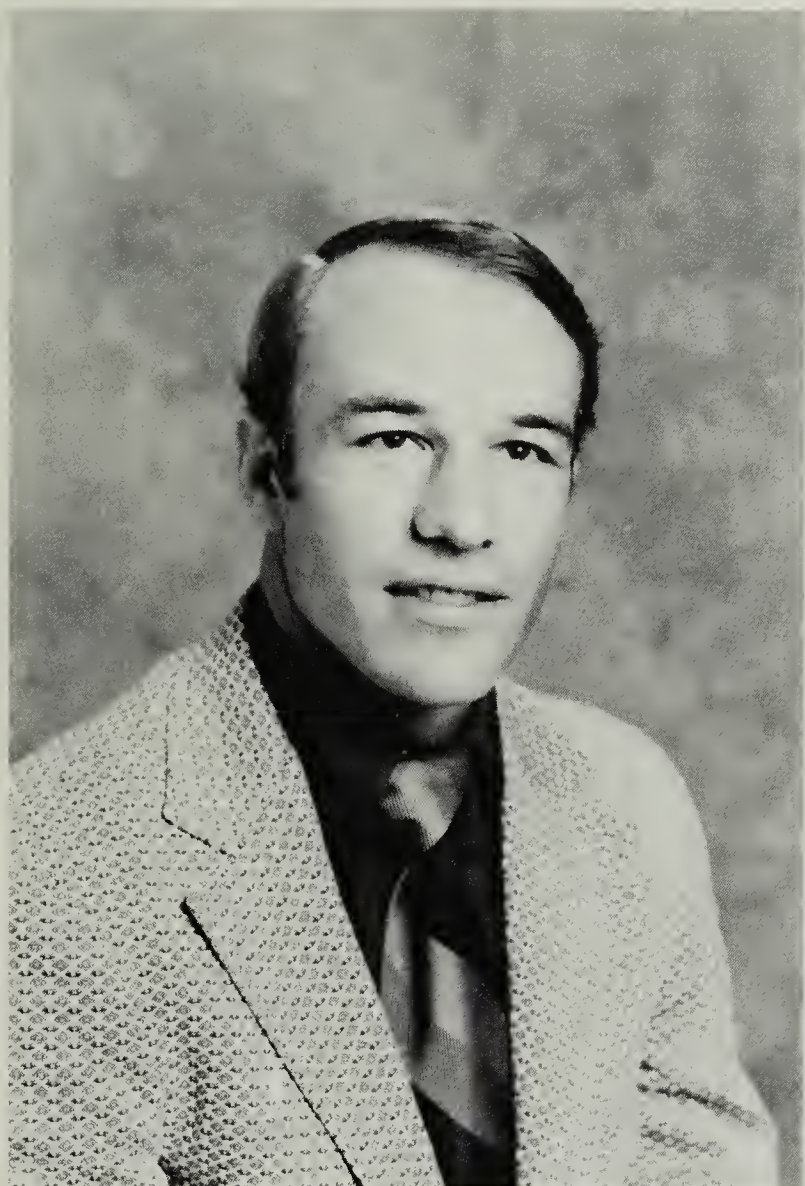

**BELOW:** The bartender (Mr. Pons) makes sure he gets those glasses clean.

This year the teachers got together and put on a Teachers Assembly, which some of the teachers participated. The teachers tried to show the students they could act just as silly as they could. It was held in gym and enjoyed by all students.

# Phillip Dieckhoff Honored As Teacher of The Year

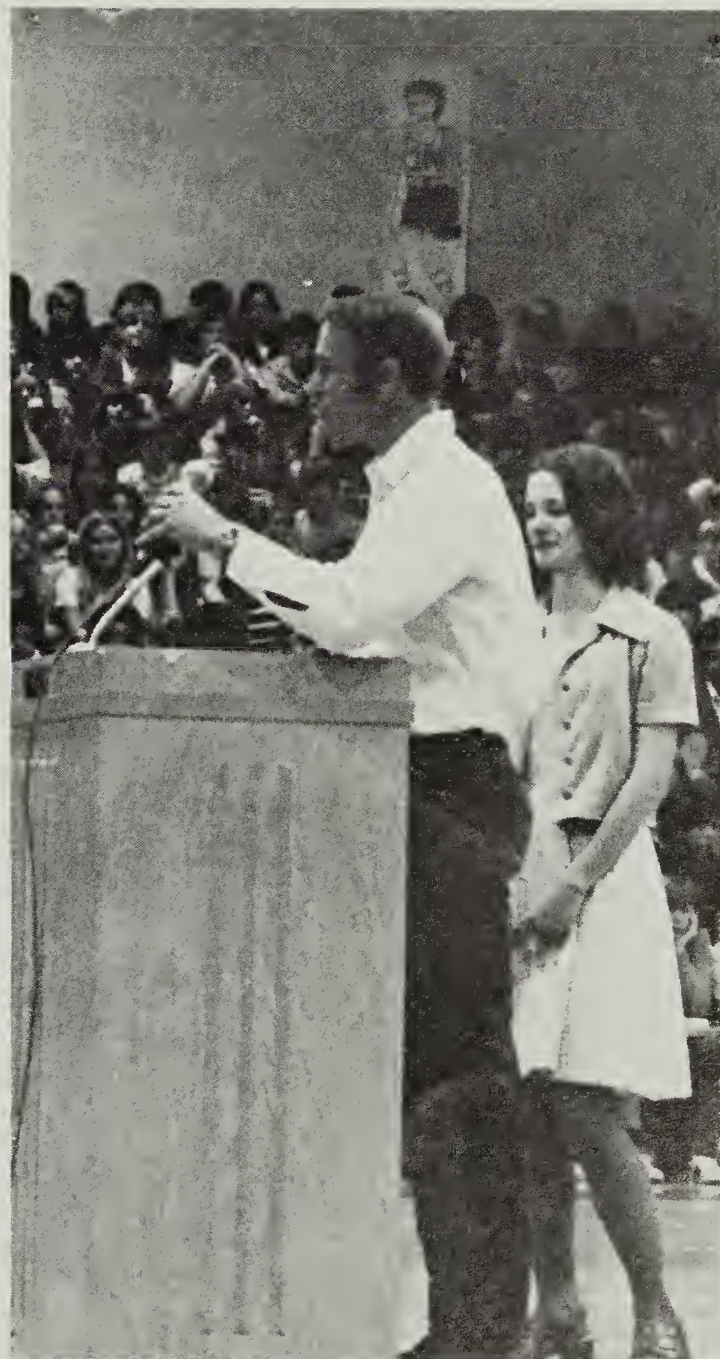

Each year one PCHS teacher is honored by the student body as Teacher of the Year. Mr. Phillip Dieckhoff was chosen. He accepted the award graciously and with sadness as this was his last year at PCHS.

Mr. Phillip Dieckhoff, Teacher of the Year.

Accepting the award from SAE president, Elva Terry, is Phillip Dieckhoff.

**TO RIGHT:** Dorn O. Spangler, Virgil Goode, and Rev. Dan Scoot wait to speak.

In the spring of this year Patrick County High School students welcomed former superintendent Dorn O. Spangler and Virgil Goode, Fifth District Representative, in an assembly. They came to address the student body. They were accepted with reverence.

# Drama Class Produces "School Of

# Darkness"

The Drama class, directed by Miss Lydia Moore, produced the successful play, "School of Darkness". The play was delivered excellently and performed professionally. The action of the play produced a controversial response.

Oblivious to the presence of Timmy Turner and Boaty Hudgins, Jeff Crowder and Karen Duncan show no response.

"My theory is correct", says Boaty Hudgins to Houston Roberson.

The cast of "School of Darkness" serve as judges.

Our school spirit during the week was fantastic, but nothing amounted to the spirit the Cougar fans brought with them to the ball-game Friday night.

The week of Homecoming began with string day, roll up jeans day, sock day, and green and gold day and ending with the Cougars first victory — Homecoming. The Cougars fought hard and played tough and we were very proud when we came out on top.

The school voted on a Homecoming queen and when Vicky Smith was presented the roses and her crown, there was smiles and there was tears.

Everyone enjoyed dancing or talking with old time friends who have graduated in years before. Many looked forward to next year's Sweetheart Dance.

For some of us, we have a future in business; for others in education; and others the wonderful world of marriage. Whatever our choice, there is a world to conquer and we must be on our way."

# Summer of '76

Doing a back flip into the water, J. W. Gilley enjoys the luxury of a pool in the summer heat.

Like many other high school students, Mark Goard works

Gingerly stepping into the pool Susan Clark shivers slightly from the cool water.

The summer of '76 being a historical one created many memories. Besides being out for the summer, students had a chance to participate in their favorite hobbies. While some students got a relief from school others started summer jobs to earn money. In the views of one person, "The summer vacation just didn't last long enough!"

The Bicentennial Princess and her court are from left to right: Janet Marshall, Donna Guynn, Lisa Epperson, Patti Hylton, Princess Beverly Wood, Jennifer Inman, Cathy Turner, and Susan Handy.

# Stage Band Performs

Thanksgiving assembly was just a little different this year. In the past we have had students acting out a skit and also in the past we haven't had an assembly. This year due to uninterested people, the stage band performed for the student body at an assembly. The stage band was a new addition to the Cougar band. Their performance was excellent and we hope that they will be performing often.

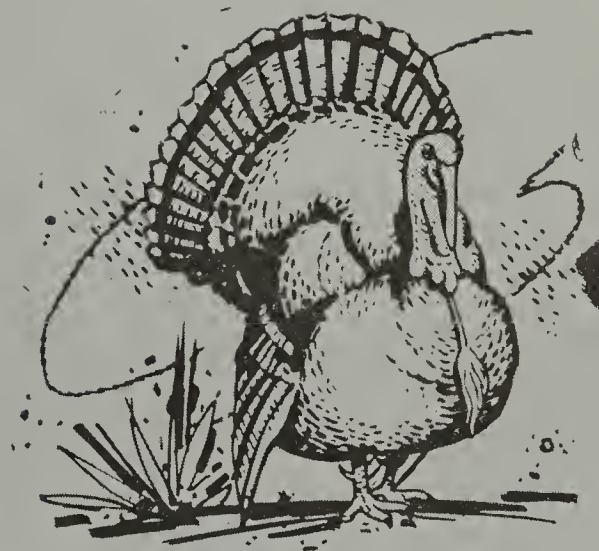

Interested students signed up for the stage band under the direction of Mr. Bill Pons. They played all kinds of music from pop to classical.

**AT LEFT:** Stage Band performs "The Hustle"

# Christmas Season

The Latin class extended a goodwill greeting during Christmas.

Sitting out to take a breather at the Christmas is Susan Gunter, Anne Swafford, Kelly Witt, William Neville, and Sally White.

The Christmas season was a joyous one and it finally snowed. But as it turned out the Christmas vacation lasted one month. We got snow but in the view of one student, "It snowed too much!"

Santa's Christmas list from P.C.H.S. students is exceedingly long.

# Full Of Activities

## For P.C.H.S. Students

The season was full of things to do for PCHS students. Each year door decorations covered usually unattractive doors. Many students worked hard to win. The doors were chosen on the basis of comedy, religiousness, and humor. The winners received ice cream as a prize.

The cozy fire scene illustrated that warm Christmas feeling.

It would seem, from the look of this picture, that Santa Claus might not be able to make his rounds this year.

# Christmas With The Evans And Bunkers

In addition to door decorations and Christmas spirit at P.C.H.S., we got into the act of sharing our enthusiasm to include a drama play. "Christmas With the Evans and the Bunkers" was produced by the drama class. Directed by Karen Rhodes, the comedy was enjoyed by the student body.

"You meat head" says Archie Bunker (Alan Roberts) to son in law, (Bill Farmer).

In the Christmas play Mike Stivek (Bill Farmer) instructs his neighbor (Karen Spencer) to join in the Christmas spirit, as Gloria (Shannon Smith) looks on.

As Karen Spencer and George Hairston listen Archie (Alan Roberts) gives one of his numerous opinions.

"Why don't we dance?", whispers Rachel Mathews to George Hairston as Archie (Alan Roberts) looks on.

# The Band 10th Avenue

**TO THE RIGHT:** Having the band 10th Avenue playing for our Christmas Dance was thoroughly enjoyable.

**TO THE LEFT:** As couples enjoy the dancing, there is always the good chairs to turn to when you get tired and want to watch.

The 1976 Christmas Dance was held in the cafeteria with decorations to celebrate the Christmas season. The Band, 10th Avenue played for the dance which seemed to suit everybody that attended. Everyone seemed to be out on the floor most of the time. If not, they were too tired to get up. The dress was semiformal and was held on a Saturday night from 8:00 until 12:00.

# Senior Class Stages "Desperate Ambrose"

Sandra Webb talks over some things with (Sheriff) Rick Ward.

The senior class of 1977 proved themselves very talented when they staged the 3 act play "Desperate Ambrose" before the public and at a special school assembly. Although nervous and excited, the seniors' long hours of practice and hard work showed in their fine performance accepted well by the public and student body.

Posing for a snapshot are cast members James Martin, Joel Robertson, Wanda Hylton, Wayne Wilson, Sandra "Sam" Webb, and Gary Howell.

Other cast members are Allen "Smokey" Roberts, Elva Terry, Rick Ward, Cathy Stewart, Larry Rattiff and Karen Gunter. (not pictured Allen Hutchen and Sonita Cockram).

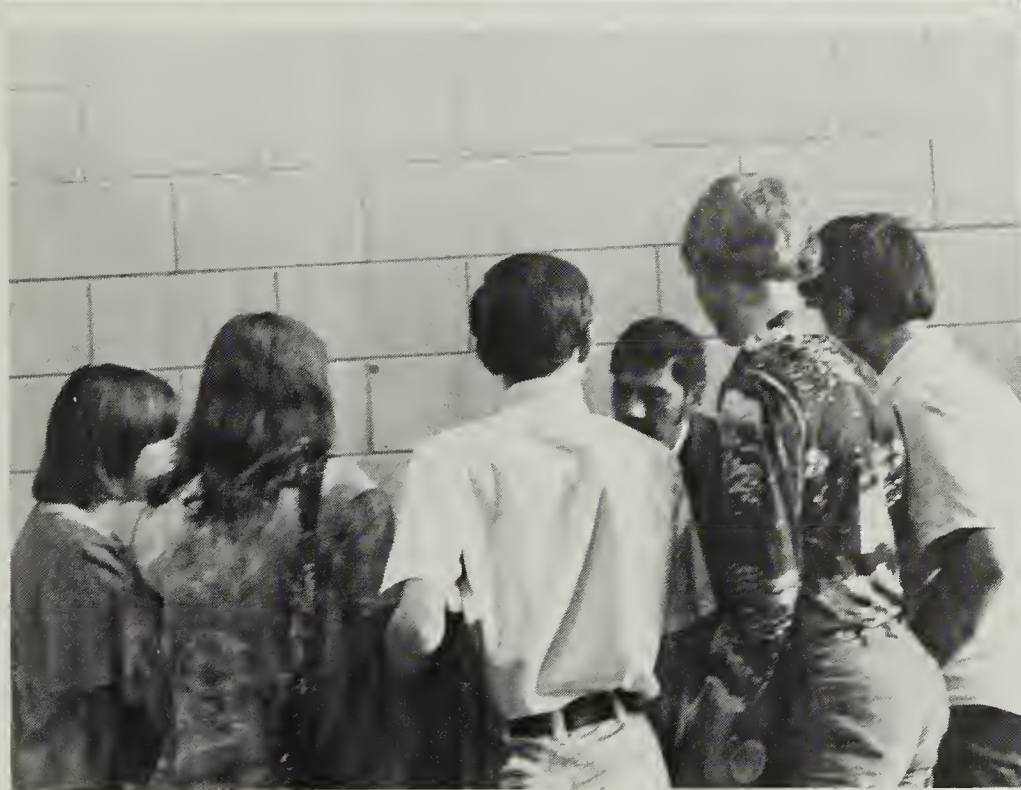

When College Day came along, excitement was felt, especially if it was your first chance to attend. But along with the excitement of talking to so many different people and finding out so many different things, decisions started to hit you in no time. The second time you attended College Day it became more difficult, because before you knew it, it became the year to decide.

# Put Forth

Using a lot of effort, Clay Morris clears the bar for a great pole vault.

As Johnny Barnett bounds over the hurdles, he can see the finish line just a few yards ahead.

"I don't believe it. I'm going to make it over," thinks Kenny Carter as he leaps over the bar.

Much Effort

Patrick County's Boy's Track Team experienced a very disappointing season. Although the team members tried very hard, no wins were accomplished.

In his last year at Patrick County High, coach Phil Dieckhoff spent many hours with the team members, especially three outstanding athletes. Senior Clay Morris — Pole Vault; Junior Dale Foddrell — 220 and 100 yard dash; and Freshman Willie Reynolds — Mile, these were the three outstanding team members. The remaining team members also did a good job, and will be expected to keep the team together after graduation.

# Tough, But

## Successful Season

Fast running, lots of practice, and much strength is needed to get a jump like this. Lisa Hatcher definitely has all three.

"You'd better move out of my way 'cause here I come," says Joanne Carter as she leaps over the hurdle.

The Girl's Track team had a successful season. Several records were broken and one team member qualified for State Competition.

The season started with many participants. As time passed and team players became more aware of the work to be done the number of participants dropped greatly. The remaining members made a great effort to the rest of the season. The effort made resulted in four new school records. Two of these were set by Evalene Hatcher, who later represented our school in State Competition, after being District and Regional Champion. The other two records were set by Sue McAlexander and Lisa Hatcher.

Although next year's team will be at a loss due to the graduating seniors, new talent is expected by many 9th graders. With this new talent and the returning of the members, next season should be an even more successful season.

With a moment of meditation, Sue McAlexander prepares to hurl the disc.

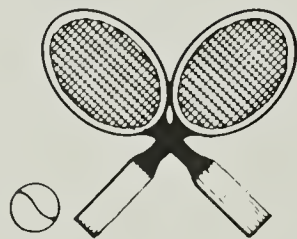

# Very Successful

This years' Tennis Team had a very successful season. The team had a 9-3 record and tied for second place in District competition.

Leading the team were Joe Hiatt, Lee

Hudgins, Sandy Morse, and Denise Foley. The remaining players made a great effort which was evident by the team's accomplishments.

Smith, Joe Hiatt, Denise Foley, and Tommy Hall. (not pictured Sandy Morse.)

THE 1976 GOLF TEAM: FRONT ROW: Tony Nelson, Matt Corbett, and coach Mrs. Sharon

Helms. BACK ROW: Ricky Ward, Tommy Burnette, and Eddie Burnette.

The 1976 Golf Team had their best season ever with a 6-7 record. Although competition was tough, the players came through with a low team score of 303 which was the lowest team score ever.

Throughout the season, Tom Burnette played very well and held the lowest score of the team. Ed

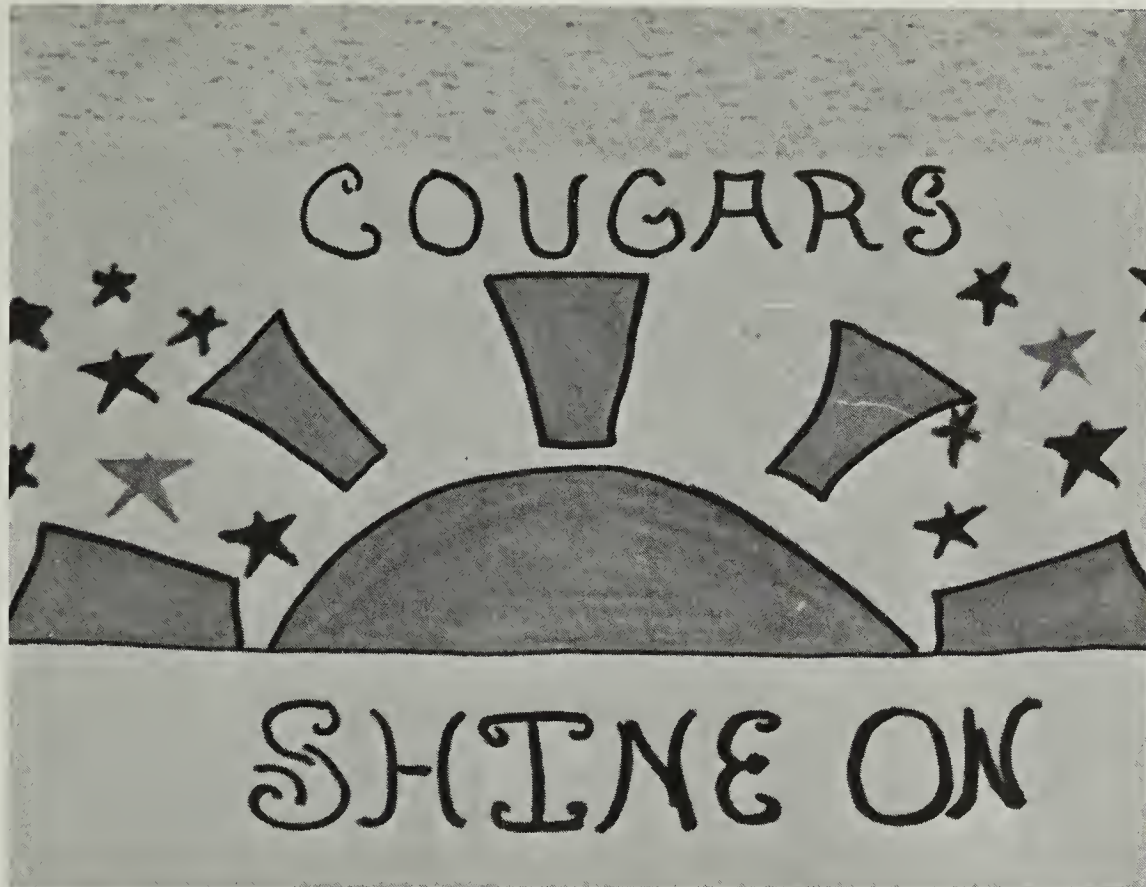

Burnette, Matt Corbett, and Ricky Ward also played well throughout the season.

The Golf Team will be at loss due to the graduation of Ed Burnette, but with the returning players and new talent, next season should fare well.

# Best Ever

As he prepares to swing, Phil Hunt realizes the ball is nearer than he thinks.

By putting forth great effort and working extremely hard, the 1976 baseball team finished the season with the outstanding record of 17 wins and 6 losses. This was the best record ever compiled by a baseball team at PCHS.

The Cougars were backed by good hitting and excellent pitching. These two factors gave them the ability to go farther than any team ever has. The year before last, only one team from the district was permitted to advance to the regionals. Last year, however, the rules were changed and two teams could go.

As coincidence would have it, the Cougars were tied for second place with the Martinsville Bulldogs. The Cougars traveled to Martinsville where they defeated the Bulldogs by a score of 1-0. Blaine Gilley drove in the only run and went on to pitch a no-hitter.

The Cougars gather around home plate, ready to greet David Hutchens as he comes in.

With excitement, Coach Swails watches the play.

The Cougars then traveled to Danville for the regional play-offs. They were supported by many fans as students were permitted to leave school and go.

They defeated Amherst County by a score of 1-0, but were downed by the Tunstall Trojans, 3-4 in a very exciting game.

Coached by Sonny Swails, the team showed much skill, which resulted in many long hours of hard practice. Next season will be at a loss due to the graduation of the seniors, but new talent is expected and the 1977 season should be very successful.

At the end of a Cougar victory, emotions of "the thrill of victory, the agony of defeat" are shown by the Cougar team and an opponent.

With the famous Blaine Gilley pitch, the Cougars are bound to win the game.

“Now listen ‘Cutie’, you keep your mind on football, not on the cheerleaders,” advises Coach Hanner to Timmy Handy.

The 1976 Varsity Football team experienced a very disappointing season. Although there existed a lot of talent, the Cougars ended the season with a 2-8 record. The Cougars could have won two additional games with Tunstall and Laurel Park. In the final seconds of both games, Tunstall and Laurel Park came from behind to defeat our Cougars.

The graduation of eleven seniors will “dent” the squad, but next season promises new talent. The talent of the eleven seniors included the outstanding skill of Phil Hunt. Other skilled team members were Timmy Handy, Timm Morrison, Jerome Simmons, Carroll Reid, Jerry Hopkins, and Ricky Ward.

# Promoted By Cheerleaders

The 1976 Football Cheerleaders participated in many activities during the football season. Among cheering at ball games, they also participated in pep rallies, and many other memorable activities in their lives. The cheerleaders intentions were to promote spirit, which is exactly what they did. Although they had many hard times and conflicts, the Varsity Football Cheerleaders succeeded in a spirited season.

## Lack of Experience

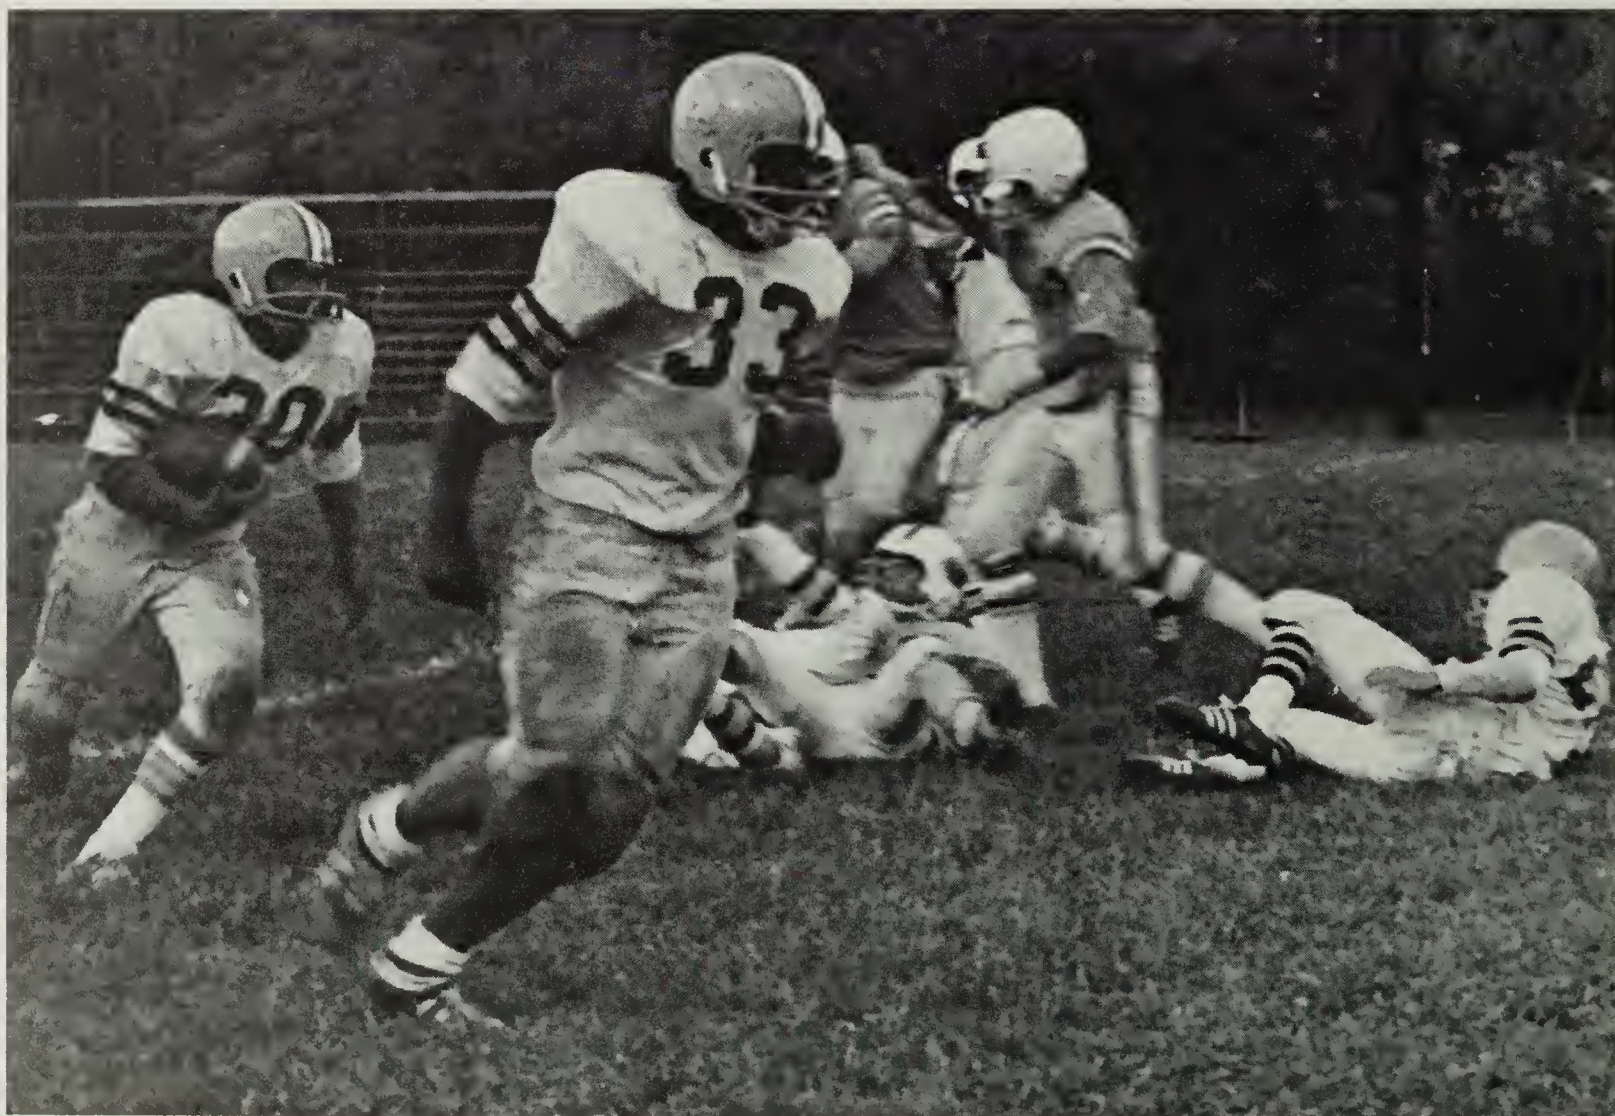

Proudly displaying their enthusiasm after winning a game is the J.V. Football team.

The 1976 J.V. Football squad coached by Richard Tobler ended with only one win and much disappointment. Due to the lack of experience and weakness in blocking and tackling the team only managed to secure 4 touchdowns.

The team displayed good playing at defensive end by Mark Webb and Terry Smith. They also had good running by Jeff Hatcher and good kicking by Terry Merritt. Although the season wasn't very successful the members were dedicated and worked hard. The boys stuck it out through the season, and they learned a lot of football.

The 1976 J.V. Football team consisted of Mark Webb, Terry Smith, Terry Merritt, Jeff Hatcher, Allison Foddrell, Bill Burnette, Bob Burnette, Charles Ross, Bart Williams, Dwayne Stanley, Steve Smith, Jimmy Stanley, Gary Penn, Keith Gunter, Jeff Spencer, Scott Priddy, Larry Cockram, Thurman Linster, Timmy Lawless and Greg Radford.

## J.V. Cheerleaders

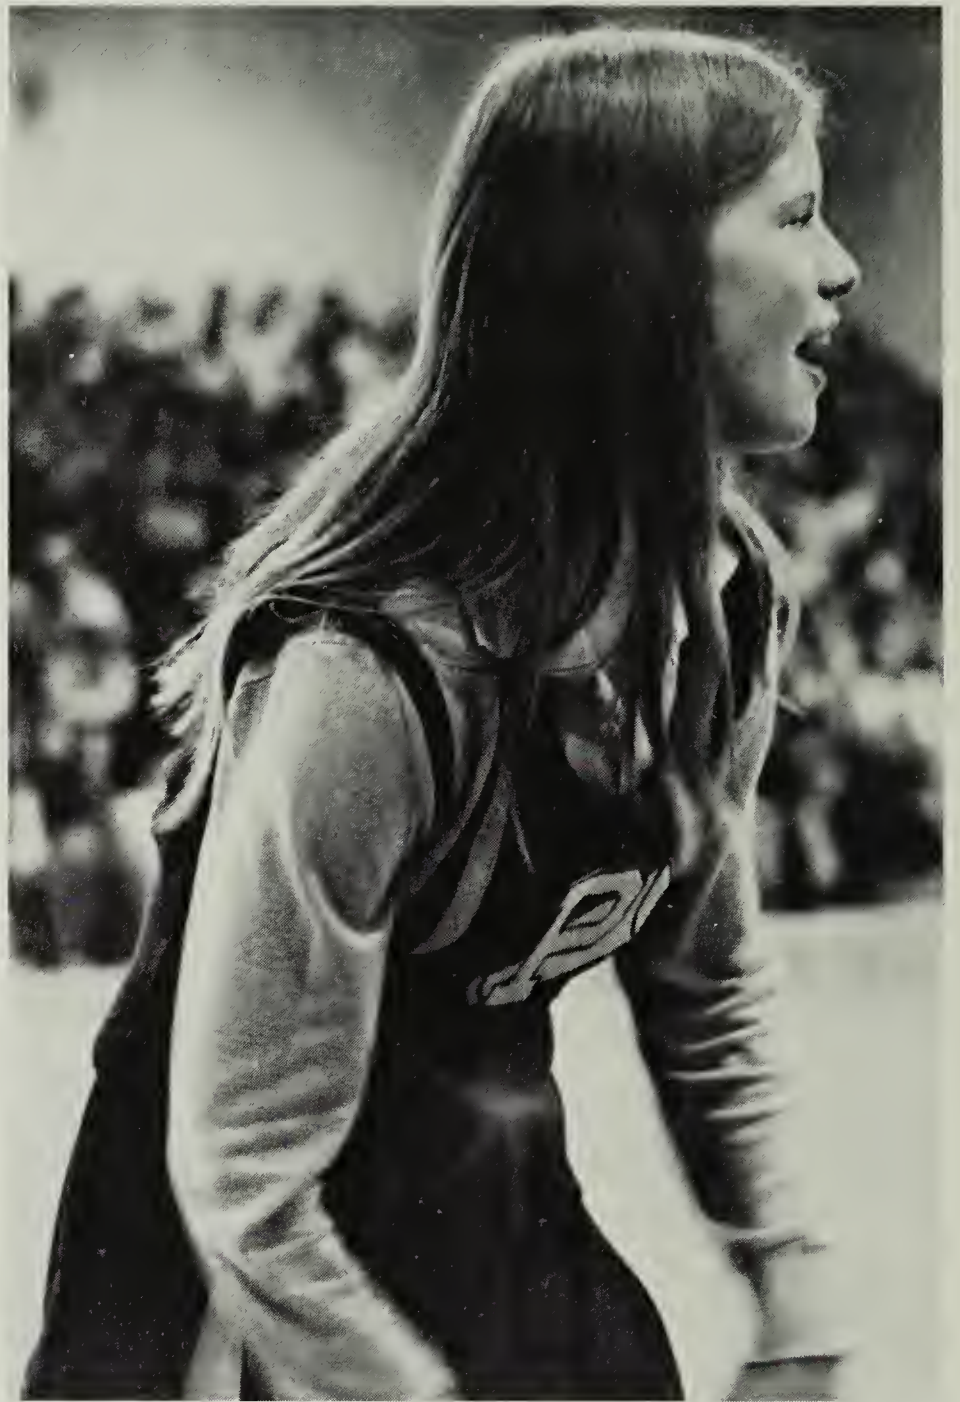

Surprises and new experiences were in store for the JV Cheerleaders as their 1976-77 season began. Competition was stiff, only ten were chosen out of the possible sixty girls trying out. They were met with the challenge of having practices two weeks before their first game, for this year they attended the JV Football games.

Upon finishing their football season, boy's JV Basketball soon began. Learning new cheers and new stunts were among their main objective while promoting school spirit.

Although they did not attend any away games, the JV cheerleaders sported new uniforms at home games.

## Sets New

The eighth grade football team produced the best record ever this season for an 8th grade team. Coached by Mike Morrison the team only lost one game out of their six games played.

Only 25 came out for the team but Coach Morrison said they were the best players that he had ever had. The team was big and strong plus good speed. They also worked hard and played well together.

Their biggest disappointment came when they lost to Martinsville 22-0. Both teams were undefeated and Coach Morrison felt their only reason for losing was because they were a young and tense team. The team did excellent the rest of the season and will be sure winners in the years to come.

As Coach Morrison watches his team, they prepare to do their exercises before the game starts.

The Cougarettes had a very successful season resulting in fourth place in district competition. Leading the team in their victories was Debbie Stovall, one of the five seniors that will be graduating. Also an outstanding player, and in leadership, was Denise Pace. Besides these two seniors, there are three others who also put forth much effort. These are Lisa Hatcher, Denise Foley, and Beverly Wood. All of the seniors and the remaining team members showed their finesse in the games, especially the match with Carver. Although the game went into double overtime, the Cougarettes were defeated by a score of 65-72. Coached by Cindy Burch and Ann Belcher, the teams showed much determination.

Next season promises new talent and a young team. The Cougarettes are sure to have an extremely successful season.

The J.V. Cougarettes poured it on this season with a 6-0 record. This year proved that there will be many good players for the years to come.

The team, coached by Cindy Burch in the first two games and Ann Belcher in the last four, worked very hard to produce their great record. Their high points were shooting, speed, good ball handling, which were all very helpful in their season.

As the season drew to an end it was evident that the J.V. players are going to be exciting potential for years to come.

The team guards the basket as Martinsville tries to score 2 points.

Due to weather, the Wrestling Team's season proved unsuccessful. Matches with G.W. Carver, Dan River, and Martinsville were not held. If these three games had been played, the team's record would have been more impressive.

Going to regionals, the school was represented by Tony Holt and Gerald Williams. Along with these two athletes, 28 other athletes made the Wrestling squad a competitive team.

Next season will have all but Tony Holt and Grayson Montgomery returning. A more competitive season is in sight.

The 1976 Cross Country Team experienced a disappointing season. Although the season resulted in only one win, the Cougars placed in the district competition.

In the regional meet, John Clanton finished 16th out of the 62 competitors. Clanton received the High Score All American Cross Country Award. Clanton and Willie Reynolds finished in the top 20 of the Regional meet at William Campbell High School with Reynolds finishing 18th. Other members of the Cougar Squad that placed in the meet were: Roger Clanton, 29th; David Clark, 34th; Tommy Tatum, 36th.

Several school records were broken. The new course record was 13:07, set by John Clanton. In the meet with Laurel Park, the course record was broken again at 12:51. Later in the season, the course record was once again broken and now stands at 12:22.

Next season promises a competitive season as all team members will be returning. Much luck is given to the team.

The 1976-1977 J.V. Basketball Team had the record of 6 wins and 14 losses. This wasn't a very impressive record but the way the team played was very impressive to their coach and to the spectators.

Each player had a particular job to do and they displayed great skill in performing their job. They gave their full attention to the game and never gave in.

The future for the team appears good if they keep up the hard work and their hustle, and determination. The J.V. Basketball Team was one that Patrick County High School could be proud of.

The Cougar Boy's Basketball Team finished their season with a 9-7 record. The Cougars placed second in the Piedmont District. The season had a poor start, but at mid-season, the team played better resulting in a 4 straight wins in the regular season. The addition of Keith Staples at mid-year, was a great help to the team.

The squad consisted of eight returning athletes and six new team members. Leading the team was Winfred Reid, Ronald Rorrer, Jerome Simmons, Keith Staples, Darryl Younger, Wayne Penn, Larry Hall, and Dennis Younger. Also competing on the Varsity team was David Clark, John Clanton, Chris Rakes, Kevin Reynolds, Carol Reid, and Tim Wimbush.

At the end of last year, voting for Senior Class officers took place. This election resulted in, Alan Roberts as President, Sonita Cockram as Vice President, and Vicki Kendrick as Secretary. Along with the usual responsibilities of ordering announcements, caps and gowns, etc., this year the Senior Class was responsible for paying for their own graduation exercises. These officers had a lot of hard work to do and they did it well.

In addition to her duties as Senior class Vice-President Sonita Cockram performs one of her everyday duties, Steno homework.

In October of 1976 the Senior class chose blue and white as their class colors and the yellow rose as the class flower. Room-mothers and mascots, Tal Swails and Angelia Webb, and the motto, "Yesterday is gone and tomorrow may never come. Let's take each minute now and hold it today" were also chosen at this time.

The room-mothers were very important to the Senior class. Among their duties were serving at the Senior picnic and chaperoning at Sportslands on graduation night. The Class of '77 wishes to extend their appreciation for the room-mothers' dedication to our class.

# Let Us

The happiness, the sorrow, the good times, the bad, these are but a few of the things we will remember as we looked back on 1977. Most of all we will remember the friends who made our Senior year a memorable one. Many of the experiences that we had will be forgotten but the people who shared them with us will not.

As we looked back on our last year together we wondered how it too quickly came to an end. It is not really an end but a commencement; a commencement into life. Although we will go our separate ways, in their hearts the Seniors of 1977 will all hold a feeling of warmth for their fellow classmates.

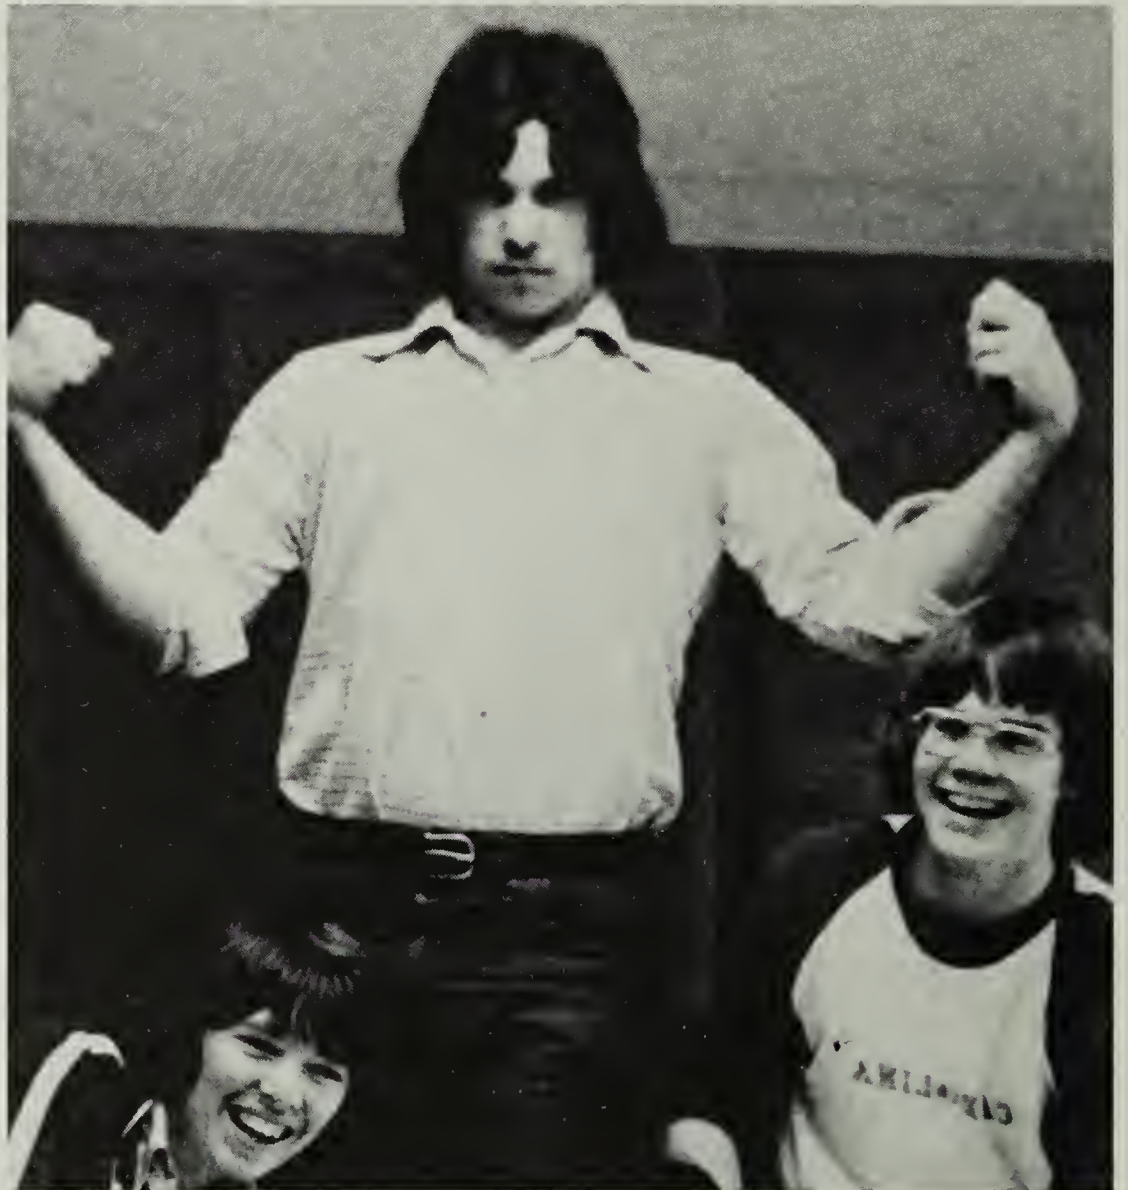

"Take it," says Tammy Barbour as she tries to give Teresa Caviness her Christmas gift.

Waiting for class to start, Lisa Hatcher stands in the hall.

Listening attentively to English Homework assignments are Lou Anne Elgin and Denise Pace.

Crammed up lockers can cause too much confusion between classes says Karen Thompsons.

We thought we had it made once we got out of P.E. Class, Biology and Geometry. But facing English 11, Algebra 11, and Trig. wasn't much better.

There always seems to be something new coming up causing problems. Raising money for the prom was the most difficult task. The money making project which was selling magazines gets harder every year.

Waiting for Buddy Moses to come so we could order class rings was another problem. Trying to decide which stone, white gold or yellow gold and of course how much you wanted to spend created other decisions. It seemed like ages from the time we ordered rings until they returned.

P.C.H.S. has more to offer than any regular high school. Phyllis Dehart and Sandy Morse show that school can be a nice place to make friends.

Class Rings! We finally got them.

"After all the trouble we had getting our class rings ordered, it's a miracle that we got them back before school was out." It seemed like years before they returned! Everybody's was just as they ordered them, although, some people had almost changed their minds. But we got used to them and liked them more day by day.

Participating in varsity sports can really be fun. Being a varsity cheerleader, football or basketball player is better than junior varsity. It makes you feel as though you are really working and trying for PCHS. We did our part this year, and we are looking forward to next year so that we can do even more.

# Juniors Express Them

Sandy Morse shows a great amount of concentration in Mechanical Drawing.

Most Juniors probably felt that this has been their best high school year yet. Many new classes were offered to them and a whole new world of responsibility was given to them. This will be a year long remembered.

## Sophomore Year

Do you remember when we first started Driver's Education? This is one of the highlights of being a Sophomore. Becoming sixteen and eligible for a driver's license is something everyone awaits. But one part of Driver's Ed. which isn't anticipated is riding with some student who has never driven a car before.

**"We go to the first assembly this year."**  
Being a sophomore had many advantages but an important one would be going to the first assembly with the Juniors and Seniors.

There was something about all the classes available to Sophomores that made it a little more interesting. Typing was a real challenge; along with Geometry. But, Driver's Education will remain the favorite of all sixteen year olds.

Some Biology students enjoy exploring for elusive micro-organisms.

Making decisions is an important thing in the spring of the Sophomore year of high school. Deciding whether you want to take vocational classes or college preparatory is a big decision. There seemed to be so many ways you can turn with your life in the future. Taking vocational classes can lead to an office job, or if you plan to go to college you will need Advanced English, which is harder than regular. Making these decisions is just too difficult.

Taking a few moments from the routine of studying, Terri Bowman looks back on old pictures of friends.

# P.C.H.S. Students Have

*Taking a few moments before class, Sharon Hollansworth catches up on some unfinished homework.*

*Receiving nice gifts on special occasions makes school a little more bearable as shown by Betty Hall.*

*Leaving school in the middle of the day due to snow was thrilling for many students.*

*Participating in the band is one way to enjoy music and get credit for it at the same time.*

# Many Different Interests

Learning to wash hair in Cosmetology class is something new for Karen Stone.

Trying to promote spirit and enthusiasm by having out door pep rallies is a new adventure of PCHS, students enjoyed them more than if they were in the gym.

PCHS students had many different interests. Participating in sports, taking part in class discussions, and trying new things were all part of being a high school student. Many different and exciting things can happen in one year.

Learning a new trade, Greg Radford and Alan Barbour are instructed by Mr. Young.

Reading aloud to a group of classmates is one of the usual experiences of Drama class.

# Freshmen Look Back

*Bobby Gammons and friend entertain at the Foreign Language Banquet.*

*"Not being the youngest class in high school is great." We finally felt as though we were a part of PCHS. Everybody seemed to welcome us more this year. The upperclassmen didn't picture us as the "punks" anymore.*

*We had more responsibility as Freshmen and we lived up to it.*

*Peggy Parsons and Mary Hughs enjoy the days where it is not all work and no play.*

# From New Experiences

An eighth grader had many new experiences during the first year of high school. A different lunch schedule was one in which all had to get used to. Another was six different classes in which new friends had to be made. But once adjusted to this new routine, an eighth grader became "just another student."

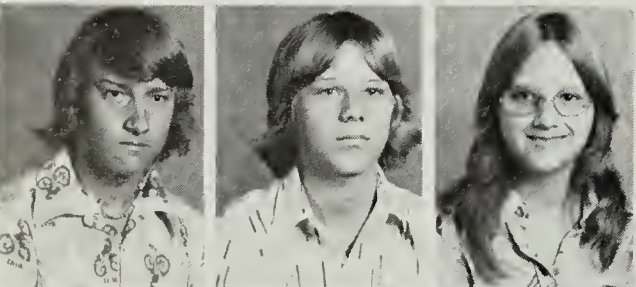

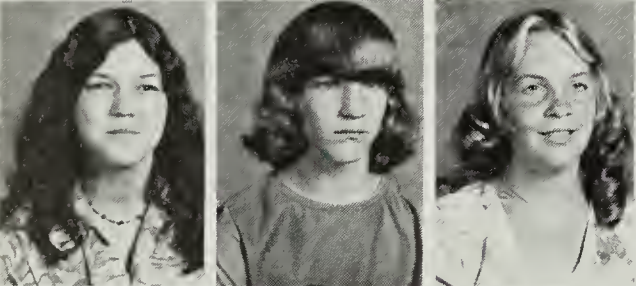

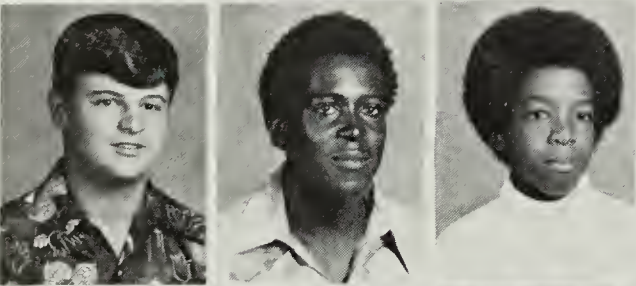

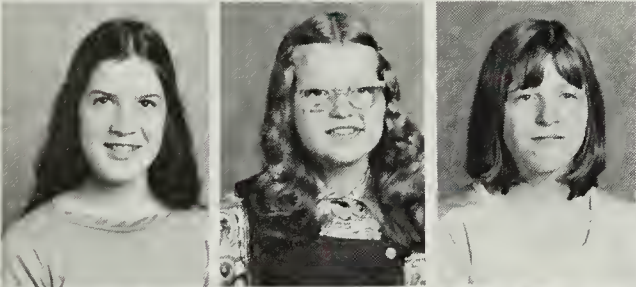

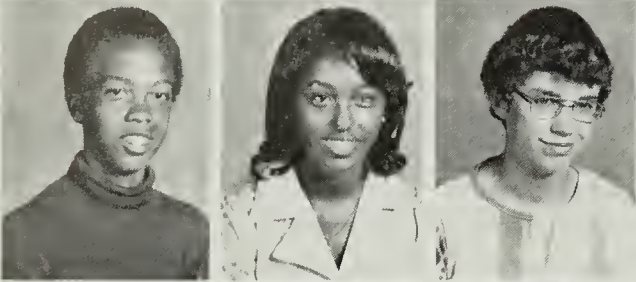

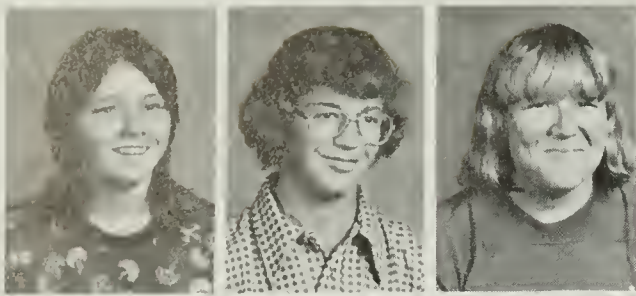

Ricky Trent proves how easy it is to balance a potato chip between his teeth in class.

# Sub Freshmen Await

"Looking back on the year's events and happenings isn't nearly as fun as looking ahead to the year of 1981. Four more years of high school sounds like an awful long time but if they come and go like this year has, I will be out within no time. I guess I had better start planning for my future now."

Enjoying the first outdoor pep rally is one of the things the eighth grade can look back on.

A typical Art Club meeting.

"How am I going to fit all these doughnuts in here?" wonders Susan Nelson.

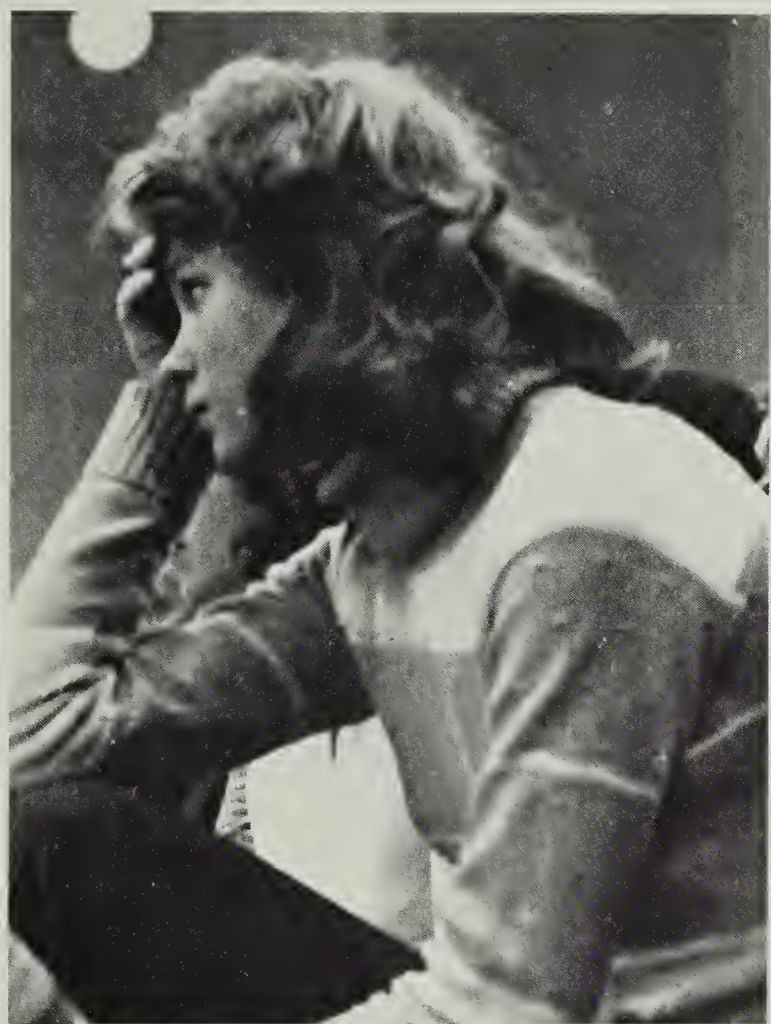

It looks as if Glenda Fulcher will be glad when class is over.

Portraying one of her favorite actions is Karen Gunter.

"We give up!" says Lamar Howell and Carlos Esquivel.

*Students watch the ballgame intently with anticipation.*

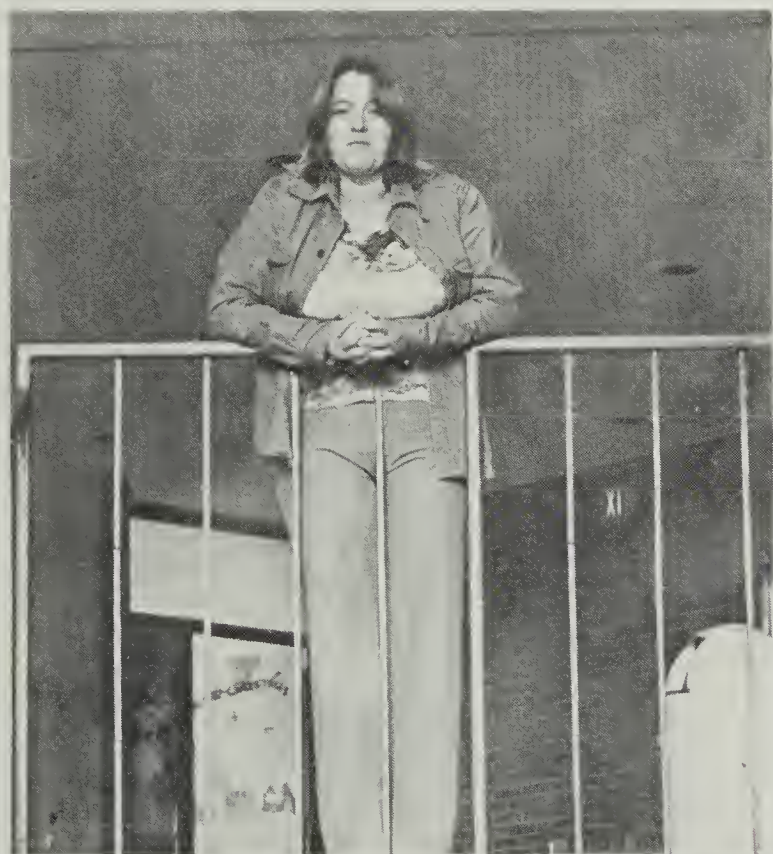

*Decorating Mr. Rigney's door are Tammy Barbour and Jeannie Hall.*

*The most memorable aspect of P.C.H.S. was its students. Meeting in the halls or talking during lunch was one of the aspects most remembered. In*

*the opinion of one graduation Senior, "The thing I'll miss most is the students at P.C.H.S."*

*"Should I jump now or after lunch?" ponders Regina Wyatt.*

*Would anyone like to claim these feet?*

## Walk-a-Thon

Left to Right: Susan Branham — President; Kathy Hughes — Secretary; Lala Fain — Vice President; Brenda Spencer — Reporter; Patricia Williams — Treasurer; Becky Handy — Reporter.

The Hi-Y Club holds an active place in community and school projects. A walk-athon was sponsored as a March Walk for Mankind. Another activity was a Valentine's Day Party for the Special Education class at Stuart Elementary. The members also observed KOPE week in the spring. This is observed each year.

President, Susan Branham, presides over the Hi-Y Club Meeting.

The staff of the 1976-1977 Patrick County Archive are proud of their efforts of the past year. Lemuel Scott, a senior, painted the cover for the annual this year, which they hope will be liked by all. Spot color was used again this year to

advantage. The staff worked very hard to meet their deadlines in order to have the annual arrive on time. The staff sold advertisements during the summer to raise money for the production of the annual.

Beta Club Volunteers

# Fund Drive

The Senior Beta Club was very active in the school and the community this year. The members volunteered their services to the Heart Fund Drive. A service project was planned for the Christmas holidays. Clothes and toys were collected to be distributed among the under-privileged

people of the community. To raise money, the club sold doughnuts during October and November. The money earned was to be used for the State Beta Convention in March. The Convention was held in Richmond, Va. The club also gives a scholarship to a deserving senior member.

Susan Nelson helps raise money for the Beta Club by selling doughnuts.

(Left to Right): Julie Wilkinson — President; Jim Hall — Vice-President; Ann Madison — Sponsor; Frank Martin — Secretary; Lisa Mann — Treasurer; Chip Graves — Sponsor; Beth Turner — Reporter.

The Junior Beta Club offered a vast amount of valuable experience for its members. The Club prepared them for the environment that they will face when they graduate from high school. With the addition of one new sponsor this year, Chip Graves, there were many new activities. At Christmas, members took favors to the patients at the Nursing Home. For their money-making project, they sold candy and made a lot of money.

# Debate Teams Take Third Place In

Denise Foley studies her evidence so that she can defend her case in the District Tournament.

With two years of experience behind them, the Debate Team of Patrick County High School accomplished an impressive record in the District Tournament. Several new members joined the team and promise great potential for the future. The team attended the Tournament at Madison College in Harrisonburg in late January. The District Tournament of 1975-76 was held here at the school. For a money-making project, the team sold candy and this was very successful. Ms. Lydia Moore was the Supervisor of the team. With her help, a lot was accomplished.

# 1977 Edition, Best

Steve Epperson presents a report to the Literary Staff members.

Polly Tatum instructs members in proper techniques.

The Literary Magazine is published once a year by the students of PCHS. The members volunteer at the first of the year for their jobs. Various poems, essays, and short stories are submitted by students and faculty. This collection of writings is gathered, corrected, typed, and published to become another entertaining edition. Different contests were sponsored during the year for the students to submit compositions and other literary works. With participation from the students and staff members working endlessly, the '77 edition contains the best of PCHS.

# Pep Class Ends

Pep Club demonstrates their ability as they perform at their first assembly.

Entertaining the crowd at the home games is easy for the Pep Club as they spread their spirit.

In their first year, the Pep Club spread enough spirit to make up for the years that they had not existed. As a moneymaking project, they sold buttons of the "PONS". In the Spring they attended a Modern Dance Concert at UNC-G. They also made trips to broaden knowledge in physical education. The Club performed at all home basketball games and at the pep rallies held during school. The members also made spirit posters for the football teams.

# FACULTY

*Aaahhh!*

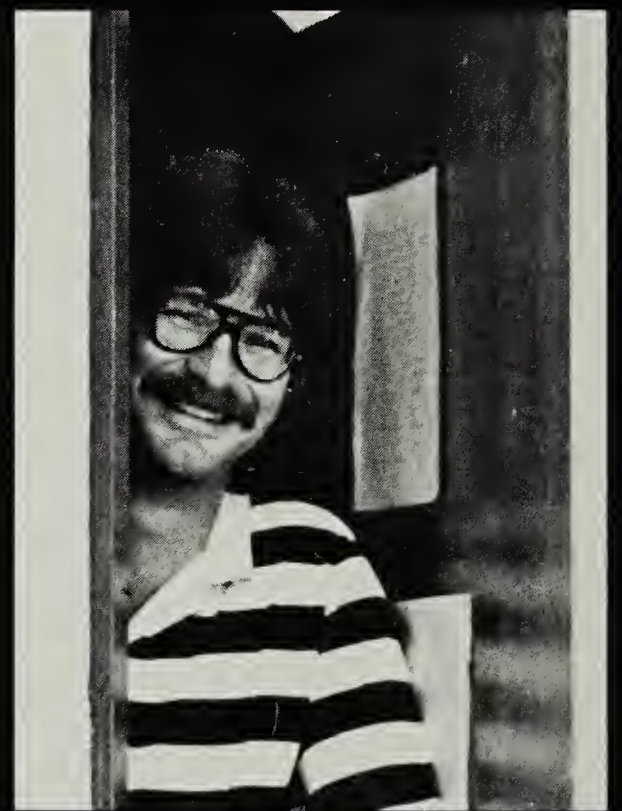

*Hiccup!*

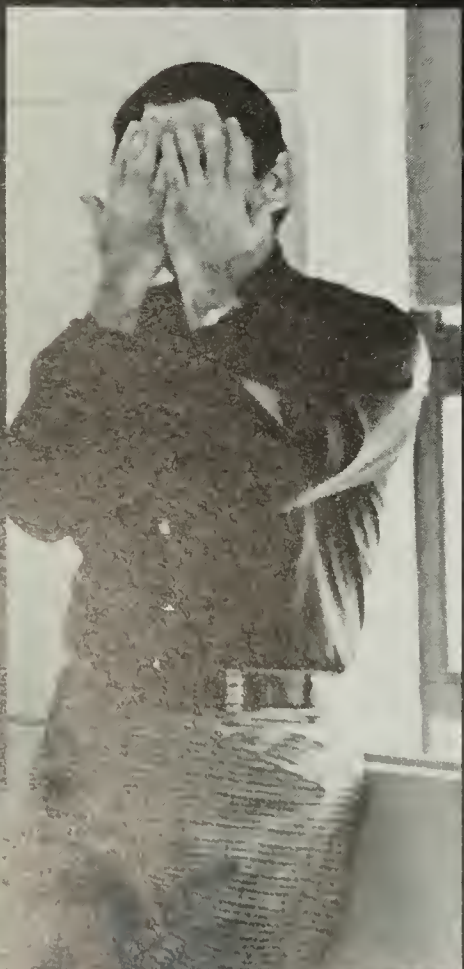

*Aw, shucks!*

The major work force at Patrick County High School was its teachers. Usually the students greet six different teachers a day. Of the 72 teachers here at school, classes taught ranged from Calculus, Advanced Chemistry, to Family Living. But as we find out, teachers are human too, and like to joke around.

*You found me!*

*Peek-a-boo!*

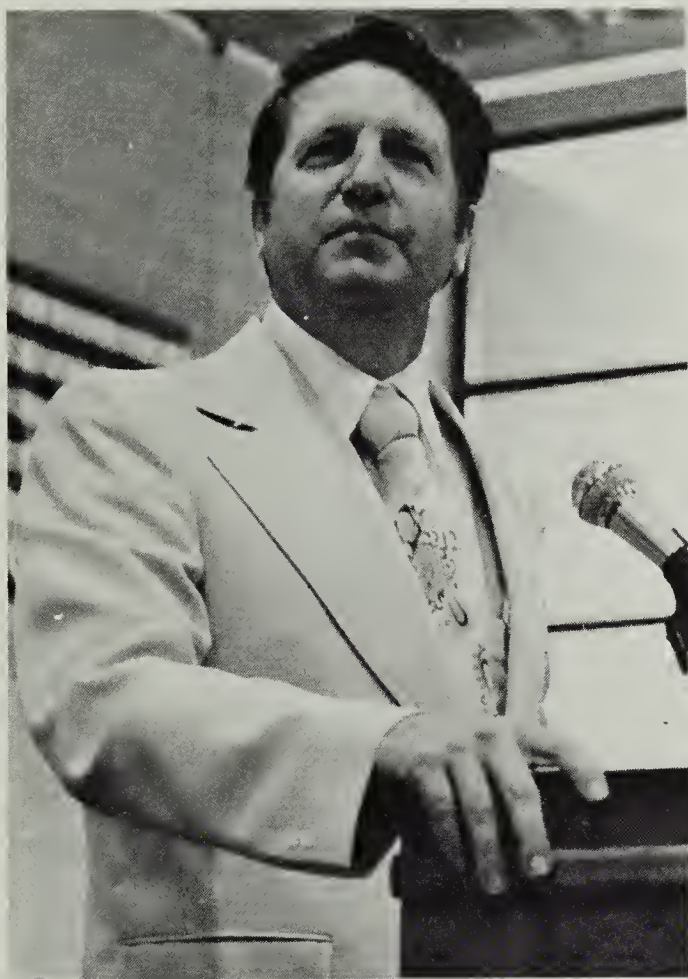

*One, two, three, kick!*

*It's mine!*

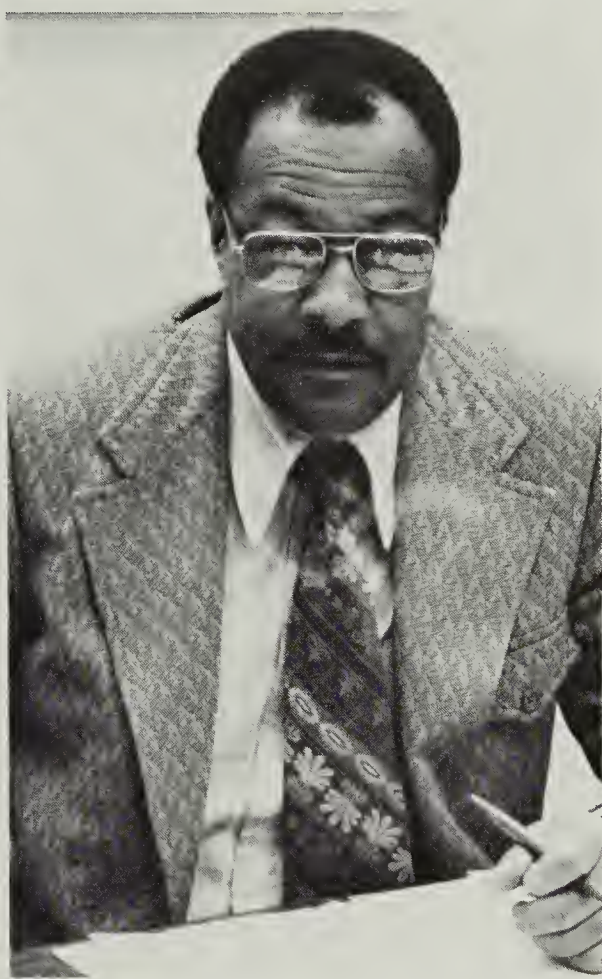

# ADMINISTRATION

If you think you are beaten, you are.  
If you think you dare not, you don't.  
If you'd like to win, but think you can't,  
It's almost a cinch you won't.  
Life's battles don't always go  
To the stronger or faster man;  
But soon or late the man who wins  
Is the one who thinks he can.

# MARTINSVILLE BULLETIN

Martinsville, Va.

**Let's  
get to  
know  
each  
other.**

You're probably already well acquainted with the name Stevens. And you should be. We've been filling America's textile needs for more than 150 years. But we can only continue to do that with people. Dedicated, hard-working people. People like some you may know who work with Stevens.

But, how about you? Your dedication and hard work have earned you a diploma. Now, let that diploma pay off for you. It could be your key to getting a solid position with Stevens. We have lots of challenging, rewarding jobs. Each offering good pay and benefits. And an even greater future.

At Stevens, people have always made the difference. Contact the Personnel Office of the Stevens plant most convenient for you. We'd like to get to know you a whole lot better.

# Heavy Snow Causes

The heavy snow in December caused all of us headaches, and a prolonged Christmas vacation. Many students went out to play in the snow. Even though many students enjoyed the snow, others looked forward to its melting. Truly one of the coldest and snowiest winters, this one has set all records and was one not to be forgotten.

Latin Club members wait in the cold for the bus that will take them to the convention.

Performing her accounting duties, Mrs. Rea seems unaware that she is being photographed.

With the coming of cold weather many P.C.H.S. students begin to wear heavier jackets.

# Closing Of School

Even though students got an extended holiday, the faculty and administration were not as lucky. They were asked to attend after the worst of the weather was over.

There seemed to be a feeling of relief after conditions bettered enough for the re-opening of school.

During lunch, Mr. Kapfer keeps the cafeteria orderly.

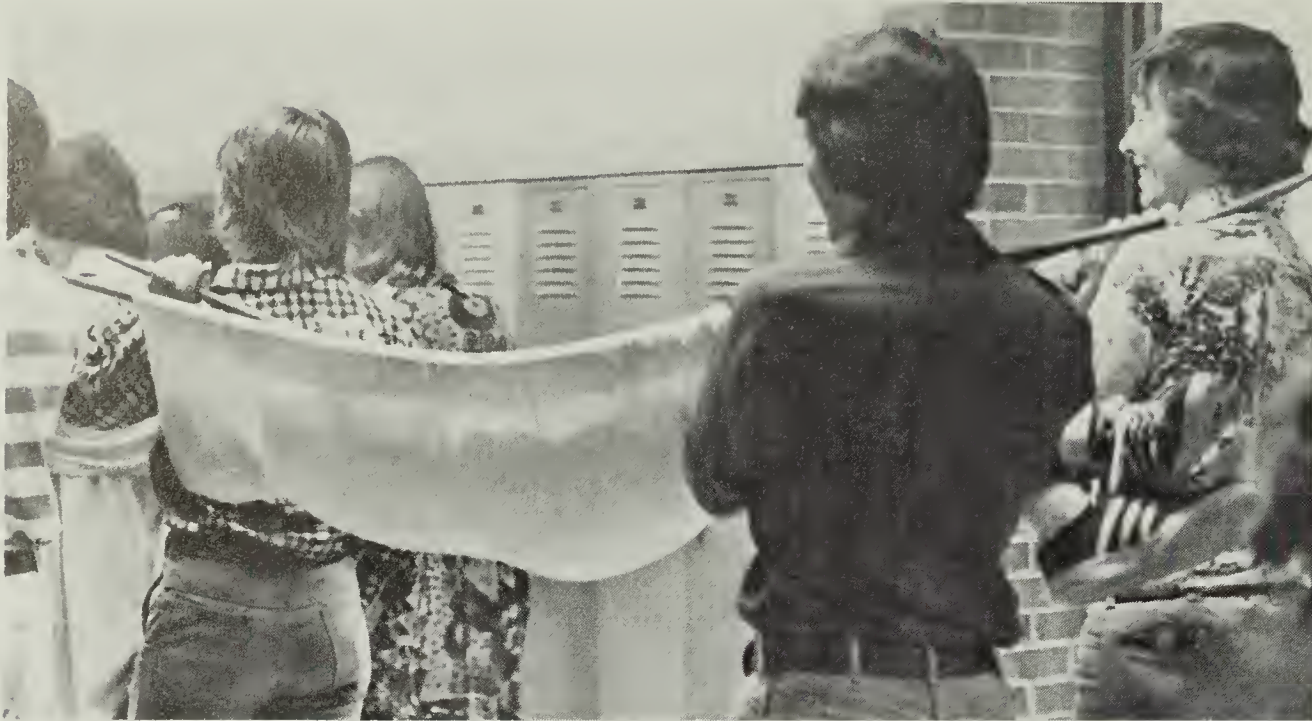

Taking time out from their busy day to relax and read the newspaper are Mrs. Axelson and Mr. Dowe.

This snowy scene of the football field is reminiscent of the harsh, cold winter.

# Moments Remembered

As the end of another school year drew near, it seemed fitting that we should reflect on all the great things that have happened in that year.

Latin Club members participate in an educational and historical area of their study as they mourn the death of Julius Caesar on March 15.

Expressing her interest and willingness to help a student with a problem in her mathematics classes is Mrs. Sally Ann Rodgers and her student, Rachel Hylton.

Students in Spanish class get a special treat as well as learning a different custom as they break a piñata.

# In Reflection

*Working hard during mechanical drawing class is Bailey Penn.*

*Finding that two hands are definitely better than one are Delois Weiss and Debora Foley.*

*The students on the bus look forward to another short school day.*

*Students in Art Class find time to have a party.*

There were educational experiences that were enjoyable as well as helpful. These included many varied methods of teaching such as plays and field trips.

Most important of all, there were many happy, joyous times that bound friends together and made them closer.

# Individual Experiences

During one of the year's dances, Mark Lancaster and date enjoy the slow, easy music.

Relaxing before the next dance provides Kenneth Nowlin and Linda Holt time to talk.

**BELOW RIGHT:** A scene that became familiar this winter was the snow-covered roads and the chilly weather which closed schools early several days.

The many school events which happened during the year were a large part of the student life. There were the smaller, individual occurrences which also made the year what it was.

These seemingly insignificant moments, whether personal or public, captured the essence of the individual and school spirit which bound the students together and made them one.

# Complement Year

**The cold, snowy winter proves itself to be one of the worst in many years but also provides a beautiful scene to be remembered for years to come.**

**Lunch is a time in which strange things happen and people do things even stranger as Lisa Hooker shows by posing in an unusual position.**

**Many wintry scenes, such as this one, is revealing of the Patrick County country side.**

**ABOVE: During class, students enjoy a more informal environment of study.**

# 1977 — A Year Of

Various activities outside of school work added diversity to our school year. As each year progressed and we became closer to graduation we became more and more involved in school life. We participated in plays, sports, and club activities. Even though we might have liked to slow down a bit we kept being involved and learning.

During halftime at the ball game the Pep Club performs.

PC Cougar, Shelly Slate, says, "What's happening!"

Concentrating on an experiment is Mr. Kook's advanced Chemistry class.

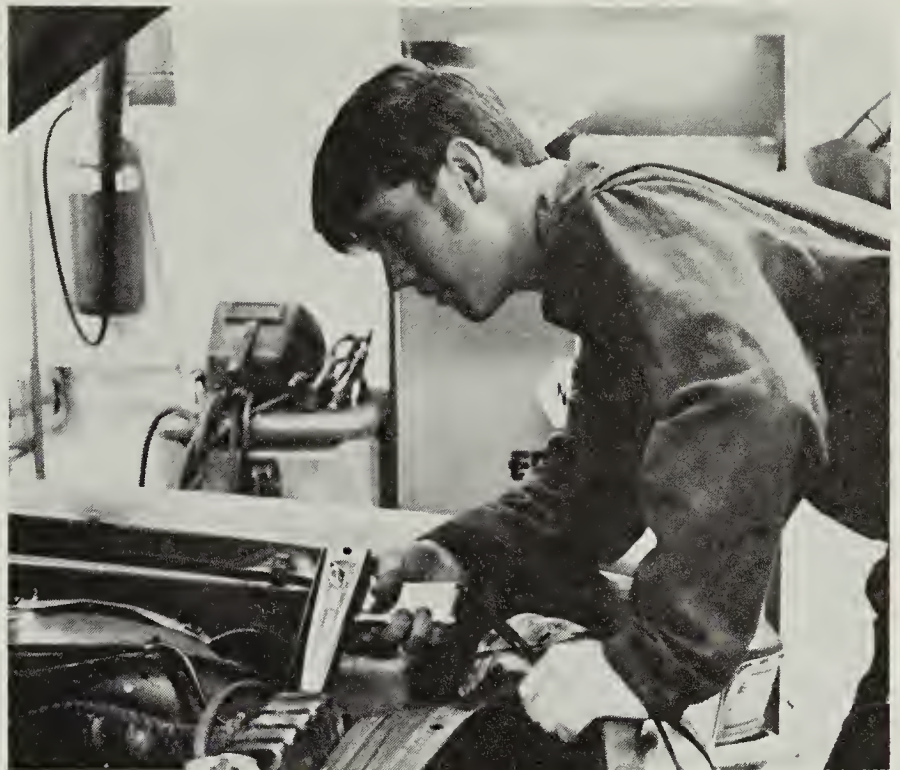

Waiting for the bell to end class is Dwayne Hiatt and Dwayne Marshall.

# Snowflakes And

Many activities aroused our interest in school life. One thing that kept all of us aroused was the ever present threat of snow. Numerous mornings were spent rising out of bed only to come to school and leave early because of the snow. The snow was pretty but after a while every student looked forward to returning to school and seeing friends again. Truly this year was full of memories and snowflakes.

Taking advantage of his time in auto mechanics class is Henry Thompson.

Leaving school before the buses is a privilege for the people who drove cars.

Choking Joe Clark is Denise Foley.

## The 1977 Archive Staff

The year of 1977 gave forth many events to be filed away to be remembered later. It was a year to pass from adolescence to young adult for many. It brought many changes. If one could sum up the 1976-77 school year it would be, "abundant in memories," for truly 1977 was a year of action to be remembered.

The 1977 Archive Staff would like to thank all those who helped in this years' book. We would especially like to thank all the advertisers who bought ads. A special thanks is extended to Lemuel Scott for the painting of our cover.
